TIPS FOR PSYCHOLOGY TRANSFER STUDENTS

TIPS MISSION

TIPS is designed to provide practical guidance to Psychology Transfer Students on how to effectively manage the academic and social challenges of being a University of Maryland Undergraduate Psychology Major.

TIPS BENEFITS

- Gain a practical understanding of the differences in study and teaching approaches at UMD
- Learn study skills for PSYC 300 and 400 level classes
- Get help making connections with faculty and staff
- Learn strategies for seeking research assistant/TA/internship positions

GENERAL TIPS

- Visit <https://umdpsyc.blogspot.com/> for psychology related updates and opportunities
- Interested in graduate studies? Visit <https://go.umd.edu/psycgradschoolhelp>
- Want to learn about PSYC Research? Visit https://go.umd.edu/psyc_research_day
