

Andrea Chronis-Tuscano
Curriculum Vitae
July 2023

1. Personal Information

1. Last Name, First Name, Contact Information

Chronis-Tuscano, Andrea
1147C Biology-Psychology Building
Department of Psychology
University of Maryland
College Park, MD 20742
achronis@umd.edu
301-405-9640

2. Current Academic Appointment

University of Maryland
Department of Psychology
Assistant Professor (2002-2008)
Associate Professor (2008-2014)
Full Professor (2014-Present)

3. Other Academic Appointments while at UMD

The George Washington University School of Medicine
Children's National Medical Center, Washington, DC
Department of Pediatrics
Adjunct Professor (2003-Present)

University of Illinois at Chicago
Department of Psychiatry
Clinical Associate Professor (2014-Present)

4. Educational Background

Loyola University Chicago
B.A., Psychology major; Mathematics minor
Summa cum laude, 1993

University at Buffalo, State University of New York (SUNY)
APA-Accredited Doctoral Program in Clinical Psychology
M.A. in Clinical Psychology, Feb 1, 1998
Ph.D. in Clinical Psychology, Sept 1, 2002

University of Chicago School of Medicine
APA-Accredited Clinical Child Psychology Internship, 2001-2002

2. Research, Scholarly and Creative Activities

Note: Student/post-doctoral authors are italicized. In all cases in which a student is the first author, I am the senior and corresponding author. Authors are otherwise listed in the order of their contribution.

a. Books (include full citation information)

- i. Books Authored
- ii. Books Edited
- iii. Book Chapters

i. Books Authored

Chronis-Tuscano, A., O'Brien, K., Danko, C. M. (2020). *Supporting Caregivers of Children with ADHD: An Integrated Parenting Program*. Oxford University Press.

ii. Unpublished treatment manuals

O'Brien, K., Danko, C. M., Knight, L., & **Chronis-Tuscano, A.** (2017). *The Turtle Program: PCIT for Young Children Displaying Behavioral Inhibition- Parent Group Therapist manual*. Unpublished treatment manual, University of Maryland, College Park, MD.

Chronis-Tuscano, A., O'Brien, K., Danko, C. M., & Wang, C. (2015). *Integrated Parenting Intervention for Caregivers of Children with ADHD and Disruptive Behavior - Community treatment manual*. Unpublished treatment manual, University of Maryland, College Park, MD.

Meinzer, M. C., Triece, P., Pettit, J. W., & **Chronis-Tuscano, A.** (2019) *Behaviorally enhancing adolescents' mood in schools (BEAMS): A depression preventive intervention for adolescents with ADHD*.

Meinzer, M. C., McCauley, K. L., Vasko, J. M., Oddo, L. E., Rooney, M. E., LeMoine, K. A., Murphy, J. M., Lejuez, C. W., MacPherson, L., & **Chronis-Tuscano, A.** (2018). *The SUCCEEDS Program: Students understanding college choices encouraging and executing decisions for success. A program for college students with ADHD*.

The Turtle Program Parent Workbook: Helping Shy Young Children Come Out of Their Shells (unpublished). Kelly O'Brien, Christina Danko, Danielle R. Novick, Laura Knight, & **Andrea Chronis-Tuscano**.

The Turtle Club: Social Skills & Facilitated Play Program for Shy Preschoolers (unpublished). Robert J. Coplan, **Andrea Chronis-Tuscano**, Katie Ellison, Kelly O'Brien, Danielle R. Novick, Kelly A. Smith, & Kenneth H. Rubin.

Meinzer, M. C., Schwartz, K. T. G., Triece, P., Pettit, J. W., & **Chronis-Tuscano, A.** *Behaviorally Enhancing Adolescents' Mood in Schools: A Depression Prevention Program for Adolescents with ADHD (Virtual Delivery)*.

Meinzer, M. C., Triece, P., Schwartz, K. T. G., Pettit, J. W., & **Chronis-Tuscano, A.** *Behaviorally Enhancing Adolescents' Mood in Schools: A Depression Prevention Program for Adolescents with ADHD*.

iii. Book Chapters

Chronis, A. M. (2004). Adjunctive cognitive-behavioral therapy for parents. In A. Freeman (Ed.), *International encyclopedia of cognitive therapy*. New York: Kluwer-Plenum Publications.

Chronis, A. M., & Pelham, W. E. (2004). Efficacy of behavioral treatment for ADHD. In A. Freeman (Ed.), *International encyclopedia of cognitive therapy*. New York: Kluwer-Plenum Publications.

Wymbs, B. T., & **Chronis, A. M.** (2005). Cognitive coping skills training for children with externalizing disorders. In A. Gross & R. Drabman (Eds.), *Encyclopedia of behavior modification and cognitive behavior therapy: Vol. 2. Child clinical applications*. Thousand Oaks, CA: Sage Publications.

Chronis-Tuscano, A., & Clarke, T. L. (2008). Integrated behavioral treatment for depressed mothers of children with ADHD. In L. L'Abate (Ed.), *Toward a science of clinical psychology: Laboratory evaluations and interventions*. Hauppauge, NY: Nova Science Publishers.

Johnston, C., & **Chronis-Tuscano, A.** (2014). Families and ADHD. In R. A. Barkley (Ed.), *Attention-deficit/hyperactivity disorder: A handbook for diagnosis and treatment* (4th ed.). New York, NY: Guilford.

Wang, C. H., Woods, K. E., & **Chronis-Tuscano, A.** (2016). ADHD in Childhood. In T. P. Gullotta, & G. M. Blau (Eds.), *Handbook of Childhood Behavioral Issues* (2nd ed.). New York, NY: Routledge.

Danko, C.M., Wang, C., & **Chronis-Tuscano, A.** (2018). Intergenerational transmission. In *The SAGE Encyclopedia of Lifespan Human Development*. Sage Publications, Inc.

Mazursky-Horowitz, H., Woods, K. E., & **Chronis-Tuscano, A.** (2018). Executive function. In M. H. Bornstein (Ed.), *The SAGE Encyclopedia of Lifespan Human Development*.

Woods, K. E., Danko, C. M., & **Chronis-Tuscano, A.** (2017). ADHD in childhood and adolescence. In O. Braddick (Ed.), *Psychology Oxford Research Encyclopedias*.

Meinzer, M. C., Danko, C. M., Novick, D. R., Vasko, J., **Chronis-Tuscano, A.** (in press). Inattention and hyperactivity. In S. Hupp (Ed.), *Child & Adolescent Psychotherapy*. Cambridge University Press.

Danko, C. M., O'Brien, K. A., Rubin, K. H., & **Chronis-Tuscano, A.** (2018). The Turtle Program: PCIT for young children displaying behavioral inhibition. In Niec, L. N. (Ed.), *Handbook of Parent-Child Interaction Therapy: Innovations and Applications for Research and Practice*. New York: Springer.

Chronis-Tuscano, A., Oddo, L., Schwartz, K.T.G., & Meinzer, M.C. (in press). Co-Occurring ADHD, Disruptive Behavior Disorders, and Depression. In Pettit, J., Hayden, E., Olino, T. (Eds.) *American Psychological Association (APA) Handbook of Depression*.

b. Articles in Refereed Journals. Note: Student authors italicized.

iv. Other Contributions

e. Conferences and Workshops: Talks, Abstracts and Other Contributions

i. Invited Talks (*at Conferences*)

- 2012 APA Division 12 (Clinical)-Sponsored Full-Day CE Workshop
APA Annual Convention, Orlando, FL.
Topic: Comprehensive, Evidence-Based Treatment for Children & Adolescents with ADHD
Presenters: Andrea Chronis-Tuscano & William E. Pelham, Jr.
- 2016 Annual Meeting of the American Professional Society of ADHD and Related Disorders, Washington, DC.
Workshop Topic: *Addressing parental psychopathology in psychosocial treatment of youth with ADHD.*
Presenters: Chronis-Tuscano, A., & Danko, C.M. (2016).
- 2017 Half-Day Workshop, Annual Convention for Children and Adults with ADHD (CHADD), Atlanta, GA.
Workshop Topic: Helping Students with ADHD ‘SUCCEED’ in College: Applying Behavioral Activation and Motivational Techniques.
Presenters: Chronis-Tuscano, A. & Meinzer, M. C.
- 2018 World ADHD Congress, Tel-Aviv, Israel
Workshop Topic: ADHD in Families
Presenters: Chronis-Tuscano, A., Stein, M.A. & Weiss, M.
- 2019 Clinical Workshop, Maryland Student Affairs Conference, College Park, MD.
Workshop Topic: Helping Students with ADHD SUCCEED in College
Presenters: Meinzer, M.C., & Chronis-Tuscano, A.
- 2019 Clinical Workshop, Alvord, Baker, and Associates, Chevy Chase, MD.
Workshop Topic: Helping students with ADHD ‘SUCCEED’ in college: Applying behavioral activation and motivational techniques.
Presenters: Meinzer, M.C., & Chronis-Tuscano, A.
- 2020 Keynote, McGill University Infant Mental Health Day
Title: The Turtle Program: Helping Inhibited Young Children Come Out of Their Shells.
Presenter: Andrea Chronis-Tuscano
- 2020 Clinical Workshop Presenter, McGill University Infant Mental Health Day
Title: The Turtle Program: Helping Inhibited Young Children Come Out of Their Shells
Presenters: Andrea Chronis-Tuscano, Christina Danko, Danielle Novick
- 2021 “Be Informed” Virtual Lecture Series
College of Behavioral & Social Sciences, UMD
Title: Helping Students with ADHD SUCCEED in College
Presenter: Andrea Chronis-Tuscano
- 2021 International Keynote, 47th Annual Conference of the Indian Association of Clinical Psychologists, Puna, India
Title: Transactional Model of ADHD in Families

Presenter: Andrea Chronis-Tuscano

- 2021 Keynote, ADHD Preconference, Association for Behavioral & Cognitive Therapies
- 2022 Keynote Address, Selective Mutism Association Conference (virtual)
Title: The Turtle Program: Helping Inhibited Young Children Come Out of Their Shells.
Presenter: Andrea Chronis-Tuscano

ii. Non-Refereed Presentations

Chronis, A. M., Raggi, V. L., Clarke, T. L., Jones, H. A., & Diaz, Y. (2005, November). *Maternal ADHD: Implications for parenting & child treatment*. Paper presented at the Social Learning & the Family Pre-conference Meeting of the Association for Behavioral and Cognitive Therapies, Washington, DC.

Chronis, A. M., Clarke, T. L., Raggi, V. L., Diaz, Y., Seymour, K. E., & Rooney, M. (2006, November). *Integrated treatment for depressed mothers of children with ADHD: A pilot study*. Paper presented at the Social Learning & the Family Pre-conference Meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.

Chronis-Tuscano, A., O'Brien, K. A., Coplan, R., Rubin, K. A., Knight, L. A., Huggins, S. L. & Thomas, S. R. (2011, November). *The turtle project: Helping inhibited preschoolers come out of their shells*. Presentation at the Social Learning & the Family Pre-conference Meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.

Chronis-Tuscano, A., Lewis-Morrarty, E., & O'Brien, K. A. (2012, November). *Improving developmental outcomes for preschoolers with ADHD: PCIT-ED pilot study*. Presentation at the ADHD Pre-conference Meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.

iii. Refereed Presentations

Graziano, A. M., **Chronis, A. M.**, Hamblen, J. H., & Plante, W. A. (1996, February). *Sub-abusive violence in child-rearing in middle class American families*. Paper presented at the meeting of American Academy of Pediatrics, Elk Grove Village, IL.

Pelham, W. E., Gnagy, E. M., **Chronis, A. M.**, Burrows-MacLean, L., Fabiano, G. A., Onyango, A. N., . . . Aronoff, H. (1999, October). Q.A.M., B.I.D., and T.I.D. methylphenidate versus Q.A.M. and B.I.D. Adderall. In L. Greenhill (Chair), *Variations in time response effects among stimulant medications*. Symposium conducted at the meeting of the American Academy of Child and Adolescent Psychiatry, Chicago, IL.

Chronis, A. M., Ehrenreich, J. T., & Ferrell, C. B. (2003, June). *Co-occurring ADHD and anxiety in children: Implications for assessment and treatment*. Discussion hour presented at the meeting of the International Society for Research in Child & Adolescent Psychopathology, Sydney, Australia.

Chronis, A. M., Diaz, Y., & Raggi, V. L. (2003, October). *Issues in the identification and treatment of ADHD in Latinos: Que sabemos?* Paper presented at the Children & Adults with Attention Deficit Disorders (CHADD) International Conference on Attention Deficit/Hyperactivity Disorder, Denver, Colorado.

Belendiuk, K. A., Chronis, A. M., Clarke, T. L. & Raggi, V. L. (2005, August). *Assessing the concordance of measures used to diagnose adult ADHD.* Paper presented at the meeting of the American Psychological Association, Washington, D.C.

Chronis, A. M., Raggi, V. L., Jones, H. A., Clarke, T. L., & Diaz, Y. (2005, August). Maternal ADHD and parenting: Implications for child treatment. In V. Joffe & R. Barkley (Chairs), *Recent research on ADHD in adults.* Symposium conducted at the meeting of the American Psychological Association, Washington, DC.

Chronis-Tuscano, A. M., Diaz, Y., Raggi, V. L., & Pine, D. (2007, June). Early temperamental reactivity and behavioral inhibition as risk factors for psychopathology in adolescence. In N. A. Fox (Chair), *Adolescent outcomes of infant temperament: Social behavior, neural processing, and psychopathology.* Symposium presented at the 13th Scientific Meeting of the International Society for Research in Child and Adolescent Psychopathology, London, UK.

Chronis-Tuscano, A., Keenan, K., Pelham, W. E., & Lahey, B. B. (2008, March). Symptoms reflecting negative emotion mediate risk for major depressive disorder among children with ADHD. In X. Feng (Chair), *Emotional processes and the emergence of depressive disorders.* Symposium presented at the Society for Research in Adolescence, Chicago, IL.

Diaz, Y., Jones, H. A., Chronis-Tuscano, A., Rooney, M., Raggi, V. L., & Clarke, T. L. (2008, November). Observed parenting among African American and Caucasian parents of children with ADHD: Implications for parent training. In H. A. Jones (Chair), *Cultural considerations for parenting interventions: The importance of parental cognitions and behaviors.* Symposium conducted at the meeting of the Association Behavioral and Cognitive Therapies, Orlando, FL.

Lahey, B. B., & **Chronis-Tuscano, A.** (2009, June). Heterogeneity among young children with ADHD predicts future depression. In J. Sherrill (Chair), *Towards personalized treatment to optimize outcomes for youth with ADHD.* Symposium conducted at the meeting of the International Society for Research on Child and Adolescent Psychopathology, Seattle, Washington.

Chronis-Tuscano, A., Clarke, T. L., O'Brien, K., Knight, L., Diaz, Y., Raggi, V., . . . Mintz, A. (2009, November). Integrated behavioral treatment for depressed mothers of children with ADHD. In A. Chacko (Chair), *Behavioral parent training for ADHD: Next steps for difficult-to-treat and difficult-to-engage families.* Symposium conducted at the meeting of the Association for Behavior and Cognitive Therapies, New York, NY.

Chronis-Tuscano, A. M., Rooney, M., & Seymour, K. E. (2009, November). Preliminary effects of stimulant medication for mothers with ADHD: Changes in ADHD symptoms and parenting behavior. In J. S. Owens (Chair), *Symptoms and beyond: The importance of assessing treatment-related changes in functioning in youth and parents with ADHD.* Symposium conducted at the meeting of the Association for Behavioral and Cognitive Therapy, New York, NY.

Mintz, A. D., **Chronis-Tuscano, A.**, Clarke, T. L., Seymour, K. E., Diaz, Y., Raggi, V. L., . . . O'Brien, K. A. (2009, November). *Associations between paternal psychopathology and child conduct problems in children with ADHD: A focus on involvement*. Study findings presented at the meeting of the Association for Behavior and Cognitive Therapies, New York, NY.

Diaz, Y., Zambrana, R. E., & **Chronis-Tuscano, A.** (2010, June). *Perceptions of, and parenting response to, child ADHD and ODD behavior among Latino parents*. Paper presented at the Annual Critical Research Issues in Latino Mental Health conference, New Brunswick, New Jersey.

O'Brien, K. A., **Chronis-Tuscano, A.**, Knight, L., Rubin, K., & Coplan, R. (2011, September). *Adapting PCIT for preschoolers with high behavioral inhibition*. Talk presented at the PCIT International Conference, Gainesville, FL.

Chronis-Tuscano, A., Discussant (2012, November). In S. P. Becker (Chair), *Social functioning among adolescents and young adults with ADHD*. Symposium conducted at the meeting of the Association for Behavioral and Cognitive Therapy, National Harbor, MD.

Wang, J. M., Rubin, K. H., **Chronis-Tuscano, A.**, Coplan, R., O'Brien, K. A., & Dougherty, L. R. (2013, April). The social behaviors of inhibited children in familiar and unfamiliar social settings over time. In H. Gazelle & K. Buss (Chairs), *Behavioral inhibition across context: Social versus non-social and familiar versus unfamiliar contexts*. Symposium conducted at the Society for Research in Child Development, Seattle, Washington.

Lewis-Morrarty, E., Degnan, K. A., **Chronis-Tuscano, A.**, Henderson, H. A., Pine, D. P., & Fox, N. A. (2013, April). *Infant attachment security moderates the association between early childhood behavioral inhibition and adolescent social anxiety symptoms*. Paper presented at the meeting of the Society for Research in Child Development, Seattle, WA.

Chronis-Tuscano, A., Clarke, T. L., O'Brien, K. A., Seeley, J., Kosty, D., & Lewinsohn, P. M. (2013, June). Preliminary evaluation of integrated treatment for depressed mothers of children with ADHD. In S. S. Lee (Chair), *Parenting behavior mediates child outcome: Naturalistic and intervention designs*. Symposium presented at the meeting of the International Society for Research in Child and Adolescent Psychopathology, Leuven, Belgium.

Lewis-Morrarty, E., O'Brien, K. A., Woods, K. E., Mazursky-Horowitz, H., Thomas, S. R., & **Chronis-Tuscano, A.** (2013, June). Adapting Parent-Child Interaction Therapy–Emotion Development for preschoolers with ADHD: Targeting comorbidity. In **A. Chronis-Tuscano** (Chair). *Innovative adaptations of Parent-Child Interaction Therapy to improve developmental trajectories across disorders*. Symposium conducted at the meeting of the International Society for Research in Child and Adolescent Psychopathology, Leuven, Belgium.

Thomas, S. R., **Chronis-Tuscano, A.**, O'Brien, K. A., & Clarke, T. L. (2013, November). Maternal ADHD and depression: Associations with observed parenting. In H. A. Jones (Chair), *ADHD symptoms and impairment in adult women: New findings and implications for future research and practice*. **Chronis-Tuscano, A.** (Discussant). Symposium conducted at the meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

LeMoine, K. A., **Chronis-Tuscano, A.**, Felton, J. W., & Rubin, K. H. (2014, November). The longitudinal association between ADHD and depressive symptoms at the transition to high

school is mediated by maternal and peer social support. In M.C. Meinzer (Chair), Co-occurrence of mood disturbances and ADHD: Patterns, explanations, and treatment. Symposium conducted at the meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Loya, J. M., **Chronis-Tuscano, A.**, Chen, S. Z., Choque, C., MacPherson, L., & Lejuez, C. W. (2014, November). An experimental paradigm examining the influence of frustration on risk-taking behavior. In L. Knouse (Chair), *Tailoring Assessment and Intervention for ADHD in Higher Education Through Translational and Clinical Science*. Symposium conducted at the 48th Meeting of the Association for Behavioral and Cognitive Therapies (ABCT), Philadelphia, PA.

Wang, C. H., **Chronis-Tuscano, A.**, Felton, J. W., Molina, B. S. G., Baumann, B., & Pelham, W. E. (2014, November). Dosage and Timing of Maternal Depression Predict Adolescent Depressive Symptoms in Children with ADHD. In Meinzer, M. (Chair), *Comorbidity of ADHD and Unipolar Depression: Patterns of Co-Occurrence, Psychosocial Explanations, and Structural Neuroimaging Findings*. Symposium at the 48th annual meeting of the Association of Behavioral and Cognitive Therapies (ABCT), Philadelphia, Pennsylvania.

Wang, C.H., **Chronis-Tuscano, A.**, Strickland, J. & Stein, M.A. (2015, July). Adherence to Behavioral Parent Training Among Mothers with ADHD: Preliminary Results from a SMART Trial. In M. Sibley (Chair). *Enhancing Adult Implementation of Behavioral Interventions for ADHD: Person-Level and Environmental Predictors*. Symposium at the Seventeenth Biennial ISRCAP Scientific Meeting, Portland, OR.

Chronis-Tuscano, A., Rubin, K., O'Brien, K., Coplan, R., Dougherty, L., Thomas, S., Cheah, C., Heverly-Fitt, S., Menzer, M., & Wimsatt, M. (2015, March). Preliminary evaluation of a multi-modal early intervention program for behaviorally inhibited preschoolers. In K. Rubin (Chair). *Intervening in the Lives of Socially Anxious and Wary Children*. Symposium at the SRCDC Scientific Meeting, Philadelphia, PA.

O'Brien, K., Chronis Tuscano, A., Rubin, K., Coplan, R., Dougherty, L., & Thomas, S. (2015, September). Preliminary Evaluation of the Turtle Program: Adapted PCIT for Families of Children with High Behavioral Inhibition. In E. Kimonis (Chair), *Adapting PCIT for Special Populations*. Symposium conducted at the meeting of the 2015 PCIT International Convention, Pittsburgh, PA.

Lewis-Morrarty, E., Woods, K.E., O'Brien, K.A., Mazursky-Horowitz, H., Thomas, S.R., & **Chronis-Tuscano, A.** (2015, September). Parent-Child Interaction Therapy with Emotion Coaching (PCIT-EC) for Young Children with ADHD. In C.M. Warner-Metzger (Chair), *Beyond the Behavioral: Research Advances Integrating Emotion Regulation in PCIT*. Symposium conducted at the meeting of the 2015 PCIT International Convention, Pittsburgh, PA.

Chronis-Tuscano, A., Woods, K.E., Wang, C.H., Almirall, D., Strickland, J. & Stein, M.A. (2016, October). Sequencing Treatments for Mothers with ADHD and Their Young Children: A SMART Pilot. In A. Falk (Chair), *Using Self-Monitoring, Analysis, and Reporting Technology (SMART) Methodology to Tailor Evidence-Based Treatments*. Symposium presentation at AACAP's 63rd Annual Meeting in New York, NY.

Chronis-Tuscano, A., Woods, K.E., Wang, C.H., Almirall, D., Strickland, J. & Stein, M.A. (2016, October). Sequencing Treatments for Mothers with ADHD and Their Young Children: A SMART Pilot. In J. Pettit & W. Silverman (Chairs), *Novel Strategies for Sequencing Treatments*

for Child and Adolescent Behavioral Problems. Symposia presentation at the annual meeting of the Association of Behavioral and Cognitive Therapies (ABCT), New York, NY.

Barstead, M., Danko, C.M., **Chronis-Tuscano, A.**, Rubin, K., O'Brien, K., Coplan, R. (2017, April). Coming out of their shells: A multicomponent treatment for inhibited and shy preschoolers generalizes to a classroom setting. In K.H. Rubin (Chair), *Three novel approaches to intervening in the lives of anxious young children*. Symposium presented at the 2017 biennial meeting of the Society for Research in Child Development, Austin, TX.

Barstead, M. G., Danko, C. M., Wagner, N. J., Novick, D. R., Teetsel, R. N., Smith, K. A., Wang, C. W., Dougherty, L. R., Rubin, K. H., & **Chronis-Tuscano, A.** (2017, June). Response to early intervention for behavioral inhibition is moderated by parental anxiety. In C. Danko and N. Wagner (Co-chairs), *Innovative interventions for young behaviorally inhibited children*. Symposium presented at the meeting of the International Society for Research on Child and Adolescent Psychopathology, Amsterdam, Netherlands.

Chronis-Tuscano, A., Sasser, T., Schoenfelder, E., French, W., Strickland, J. Woods, K., Almirall, D. & Stein, M. (2017, June). Sequencing and Personalizing Treatments for Mothers with ADHD and their Young Children. In M.A. Stein (Chair), *Does treating ADHD in parents help children? What we're learning from recent studies and next steps*. Symposium presented at the meeting of the International Society for Research on Child and Adolescent Psychopathology, Amsterdam, Netherlands.

Danko, C.M., Mazursky-Horowitz, H., Lewis-Morrarty, E., Woods, K.E., O'Brien, K.A., & **Chronis-Tuscano, A.** (2017). Parent-Child Interaction Therapy with emotion coaching: A case study. In E. Girard (Chair), *Understanding emotion regulation in the context of Parent-Child Interaction Therapy: Background, new research, and case examples*. Symposium presented at the 2017 Biennial PCIT International Convention, Traverse City, MI.

Danko, C.M., Woods, K., Wagner, N., & **Chronis-Tuscano, A.** (2017). Integrated parenting intervention to enhance parent emotion regulation: Moderating effects of maternal ADHD symptoms. In C.G. Martin (Chair), *Determining when treating parental emotion regulation is a necessary component of parenting interventions*. Symposium presented at the 2017 biennial meeting of the Society for Research in Child Development, Austin, TX.

Chronis-Tuscano, A., Danko, C.M., Wagner, N.J., Barstead, M.G., Novick, D.R., Smith, K.A., Teetsel, R.N., Dougherty, L.R., O'Brien, K.A., & Rubin, K.H. (2017, November). Multi-Modal Early Intervention Program for Behaviorally Inhibited Preschoolers. In D. Sloan (Chair), *New advances in Group CBT: Expanding the reach and context of interventions*. Symposium conducted at the annual conference of the Association for Behavioral and Cognitive Therapies. San Diego, CA.

Chronis-Tuscano, A., Danko, C.M., Novick, D.R., Wagner, N.J., Barstead, M.G., Wang, C.H., Smith, K.A., Badders, R., O'Brien, K., Dougherty, L.R., Coplan, R., & Rubin, K.H. (2018, June). The Turtle Program: PCIT for Young Children Displaying Behavioral Inhibition. In S. Kurtz (Chair), *PCIT Adaptations for Behaviorally Inhibited and Anxious Youth*. Symposium conducted at the Inaugural Parent Child Interaction Therapy World Congress. Schweinfurt, Germany.

Danko, C.M., Felton, J.W., Woods, K.E., Wagner, N.J., & **Chronis-Tuscano, A.** (2018, November). Integrated parenting intervention for mothers of children with ADHD: Moderating effects of maternal psychopathology. In A. Garcia (Chair), *As if parenting wasn't hard enough:*

The attenuating role of parental psychopathology on behavioral parent training. Symposium presented at the 2018 annual conference of the Association for Behavioral and Cognitive Therapies. Washington, DC.

Meinzer, M. C., **Chronis-Tuscano, A.**, Vasko, J. M., Oddo, L. E., Murphy, J. G., & Lejuez, C. W. (2018, November). *Development and effects of a brief, modified behavioral activation intervention for college students with ADHD engaging in problematic drinking.* In A. Chronis-Tuscano & Michael C. Meinzer (Chairs), *Innovations in the Treatment of ADHD in College Students.* Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Washington DC.

Miller, N.V., Degnan, K. A., Hane, A. A. , Fox, N. A., **Chronis-Tuscano, A.** (2018, November). Infant temperament reactivity and early maternal caregiving: independent and interactive links to later childhood ADHD symptoms. In N. V. Miller (Chair), *Early identification of risk for Attention-Deficit/Hyperactivity Disorder in infancy, toddlerhood, and preschool: a series of longitudinal investigations.* Symposium presented at the Association for Behavioral and Cognitive Therapies 52th Annual Convention, Washington, D.C.

Danko, C.M., O'Brien, K., Novick, D., Rubin, K., & Chronis-Tuscano, A. (2019). The Turtle Program: A multi-modal early intervention for inhibited preschool-aged children. Clinical skills workshop presented at The 2019 Biennial PCIT International Convention, Chicago, IL.

Miller, N. V., Hane, A. A., Degnan, K. A., Fox, N. A., & **Chronis-Tuscano, A.** (2019, March). Investigation of a developmental pathway from infant anger reactivity to childhood ADHD symptoms: inhibitory control as mediator. In N. V. Miller (Chair), *What variation in executive functioning tells us about ADHD: insights from twin and longitudinal studies.* Symposium presented at the *Society for Child Development Biennial Meeting*, Baltimore, MD, USA.

Smith, E., Miller, N., Fox, N., **Chronis-Tuscano, A.** (2019, March). Infant reactivity relates to early childhood executive function and later mental health diagnoses. In E. Smith & A. Chronis-Tuscano (Chairs), *Infant predictors of social and behavioral impairments in childhood and adolescence.* Symposium presented at the Society for Research in Child Development Biennial Meeting, Baltimore, MD, USA.

Meinzer, M. C., Vasko, J. M., Oddo, L. E., Iwamoto, D. K., Murphy, J. G., Lejuez, C., & **Chronis-Tuscano, A.** (2019, June). *Comparison of two brief interventions for college students with ADHD engaging in problematic drinking: alcohol use disorder and executive functioning deficits moderate effects of behavioral activation component.* Symposium presented at the biennial meeting of The International Society for Research in Child and Adolescent Psychopathology, Los Angeles, CA.

Danko, C. M., O'Brien, K., Lewis-Morrarty, E., Rubin, K., & **Chronis-Tuscano, A.** (2019, August). PCIT adaptations: A closer look at the CDI phase. In R. Chase (Chair), *Maintaining motivation throughout the CDI phase of PCIT: Novel strategies and approaches.* Symposium presented at the 2019 Biennial PCIT International Convention, Chicago, IL.

Danko, C. M., O'Brien, K., Budd, K.S., Stern, D., **Chronis-Tuscano, A.** (2019, August). The assessment of emotion coaching in Teacher-Child Interaction Training – Emotion Coaching. In A. Barnett (Chair), *Emotion coaching playbook: Assessing emotion coaching skills in PCIT, PCIT-T and TCIT-Eco.* Symposium presented at the 2019 Biennial PCIT International Convention, Chicago, IL.

Garner, A. M. & Lefler, E. K (2019, November). *ADHD and non-suicidal self-injury in the transition to college*. In A. M. Garner & E. K. Lefler (Chairs) and **A. Chronis-Tuscano** (Discussant), *Beyond academic impairment: Additional risk for college students with ADHD*. Symposium conducted at the 53rd meeting of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.

Oddo, L.E., Miller, N.V., Felton, J.W., Cassidy, J., Lejuez, C.W., & Chronis-Tuscano, A. (November, 2019). Developmental Pathways from Maternal Emotion Dysregulation to Parenting and Adolescent Emotion Dysregulation: Interactive Effects of Youth ADHD Symptoms. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.

Druskin, L. R., Smith, K. A., Novick, D. R., Danko, C. M., Fleece, H. M., Wagner, N. J., Barstead, M. G., Chronis-Tuscano, A., & Rubin, K. H. (2020, June). A comparison of behaviorally inhibited and typically-developing children's play behaviors in the preschool classroom. In K. A. Smith & A. J. Santos (Co-chairs), Young Children's Behavior "In the Wild": Naturalistic Observations of Children's Social Engagement and Its Antecedents and Consequences. Symposium conducted at the International Society for the Study of Behavioural Development (ISSBD). Rhodes, Greece.

Chronis-Tuscano, A. Rubin, & Danko, C.M. (2020, June). The Turtle Program: Helping Inhibited Preschoolers Come Out of their Shells. In L. Fainsilber Katz (Chair), Integrating Emotion Coaching Principles into Parenting Interventions. Symposium to be conducted at the International Society for the Study of Behavioural Development (ISSBD). Rhodes, Greece.

Felton, J.W., Collado, A. Cinader, M., Lejuez C., Yi, R. & **Chronis-Tuscano, A.** (April 2020). Maternal depression and growth in adolescent substance use: The Meditating role of delay discounting. Paper presented at the Collaborative Perspectives on Addiction Annual Meeting in San Diego, CA.

O'Brien, K., Novick, D.R., Danko, C. M., Rubin, K., & **Chronis-Tuscano, A.** (April, 2020). PCIT for Behavioral Inhibition: Helping Brave Turtles Come Out of Their Shells. Clinical workshop presented at the 3rd Northeast Regional PCIT Conference, New York, NY.

Danko, C. M., O'Brien, K., & **Chronis-Tuscano, A.** (2020). *Addressing parental psychopathology in treatment of children with disruptive behavior disorders*. Skill-building session accepted to present at the 2020 annual meeting of the American Psychological Association, Washington, DC.

Meinzer, M. C., Oddo, L. E., Garner, A. M., & **Chronis-Tuscano, A.** (2021, January). *Helping College Students with ADHD SUCCEED: A Comprehensive Care Model*. Symposium presented at the annual meeting of the American Professional Society of ADHD and Related Disorders, Washington, D.C.

Novick, D. R., Smith, K. A., Danko, C. M., Druskin, L. R., Wagner, N. J., O'Brien, K., Rubin, K. H., Chronis-Tuscano, A. (2020, November). *The Turtle Program: PCIT for Young Children Displaying Behavioral Inhibition*. In C. Lieneman & C.B. McNeil (Co-chairs), Reaching Beyond Disruptive Behavior Disorders: New Directions for Parent-Child Interaction Therapy (PCIT) Research. Symposium presented at the 54th annual meeting of the Association for Behavioral and Cognitive Therapies (ABCT), Philadelphia, PA.

Morales, S., Zeytinoglu, S., Buzzell, G. A., Valadez, E., Troller-Renfree, S. V., Bowers, M. E., Lorenzo, N. E., Chronis-Tuscano, A., Degnan, K. A., Almas, A. N., Pine, D. S., & Fox, N.A. (2021). Neurocognitive Profiles in Adolescence Predict Anxiety Trajectories during the COVID-19 Pandemic in Young Adulthood. In Morales, S. & Sequeira, S. (Chairs), Neurobiological Predictors of Adolescent Mental Health during the COVID-19 Pandemic. Symposium virtually presented at the biennial meeting of the Society for Research in Child Development.

Chronis-Tuscano, A. & Stein, M.A. (2021, Jan). Combining, Sequencing & Personalizing Behavioral & Pharmacological Treatment for Parent & Child ADHD. In M. Uchida (Chair), "Prevalence of ADHD in High Risk Children Whose Parents Have ADHD". Symposium virtually presented at the annual meeting of the American Professional Society on ADHD and Related Disorders.

Morales, S., Zeytinoglu, S., Buzzell, G. A., Valadez, E., Troller-Renfree, S. V., Bowers, M. E., Lorenzo, N. E., **Chronis-Tuscano, A.**, Degnan, K. A., Almas, A. N., Henderson, H.A., Pine, D. S., & Fox, N.A. (2021). Neurocognitive Profiles in Adolescence Predict Anxiety Trajectories during the COVID-19 Pandemic in Young Adulthood. In Morales, S. & Sequeira, S. (Chairs), Neurobiological Predictors of Adolescent Mental Health during the COVID-19 Pandemic. Symposium to be presented at the biennial meeting of the Society for Research in Child Development.

Fleece, H. M., Smith, K. A., Druskin, L. R., Novick, D. R., Danko, C. M., **Chronis-Tuscano, A.**, & Rubin, K. H. (2020, June). The development of friendships in behaviorally inhibited preschoolers. In M. G. Lo Cricchio & A. J. Santos (Co-chairs), Children and Early Adolescents' Peer Relations and Adjustment. Symposium to be conducted at the International Society for the Study of Behavioural Development (ISSBD). Rhodes, Greece.

Schwartz, K. T. G., Horn, S., Chronis-Tuscano, A., Triece, P., & Meinzer, M. C. (2021, November). *Behaviorally Enhancing Adolescents' Mood in Schools (BEAM-S): Contextual Factors at Play in Preventing Depression in Teens with ADHD during COVID-19*. In R. Vaughn-Coaxum (Chair), *CBT in context: Exploring the role of social and environmental contextual factors in the course and outcome of youth depression treatment and prevention*. Symposium to be conducted at the 55th Annual Convention of the Association for Behavioral and Cognitive Therapies (ABCT), New Orleans, LA.

Novick, D.R., Smith, K. A., Druskin, L. R., Wagner, N. J., Barstead, M. G., Danko, C.M., Badders, R., Dougherty, L. Chronis-Tuscano, A., & Rubin, K. H. (June 2020). Associations between social anxiety, selective mutism, and observed play behaviors in behaviorally inhibited preschoolers. Poster accepted to be presented at the International Society for the Study of Behavioural Development (ISSBD). Rhodes, Greece.

Triece, P. A., Lui, J. H. L., Danko, C. M., Bennett, I. M., Berk, E., Shah, N., Marschall, D., Stein, M. A., **Chronis-Tuscano, A.** (2021, May 26-27). *Barriers and facilitators to clinical research participation in pediatric primary care settings for Black ADHD multiplex families: a qualitative analysis* [Poster presentation]. Association for Psychological Science Virtual Convention. <https://www.psychologicalscience.org/conventions/2021-virtual>

Shippen, N.A., Felton, J.W., Stevens, A.E., Khaireddin, M., Lejuez, C.W., **Chronis-Tuscano, A.**, Meinzer, M.C. (2021, November). *Longitudinal impact of ADHD symptoms in the trajectory of maternal depression symptoms*. In N.Shippen (Chair), Examining the Effect of

ADHD on Parent and Adolescent Mental Health Outcomes and the Parent-Adolescent Relationship. Symposium to be conducted at the Association for Behavioral and Cognitive Therapies, New Orleans, LA.

Lui, J. H. L., Danko, C., Triage, T.*, Berk, E.*, Shah, N.*, Lorenzo, N., Bennett, I. M., Marschall, D., Robb, A., Stein, M. A., & **Chronis-Tuscano, A.** (Oct, 2021). *Challenges and considerations for screening for parent ADHD in pediatric primary care*. Paper presented at the American Academy of Child & Adolescent Psychiatry 68th Annual Meeting, Atlanta, GA.

Discussant in Heather Joseph (Chair) Parental ADHD & Their Offspring from the Perinatal Period to Early Childhood. AACAP, virtual format. Oct 2021.

Oddo, L. E., Joyner, K., Murphy, J. G., & Chronis-Tuscano, A. (2022, June). *Contextual and Individual Difference Correlates of Daily Alcohol Demand: Independent and Interactive Effects of ADHD, Sex, and Day of Week*. In Amlung, M. (Chair, Organizer) & Murphy, J.G. (Discussant), Consider the Context: EMA and EEG Investigations of State-Based Influences of Behavioral Economic Demand for Alcohol. Symposium presented at the Annual Meeting of the Research Society on Alcoholism.

Lui, J. H. L., Marsh, N. P., Dvorsky, M. R., Oddo, L. E., Garner, A., Malsawma, Z., & **Chronis-Tuscano, A.** (2022, Nov). Dissemination of brief, animated evidence-based strategies for caregivers and teens with ADHD. Paper presented at the Association for Behavioral and Cognitive Therapies Annual Convention, New York City, NY.

Oddo, L.E., Joyner, K., Murphy, J. G., & **Chronis-Tuscano, A.** (2022, November). *A Daily Diary Investigation of ADHD and Alcohol Problems: The Role of Substance-Free Reward*. In Acuff, S.F. and Oddo, L.E. (Co-Chairs) & Correia, C.J. (Discussant), Transdiagnostic Behavioral Economic Mechanisms of Substance Use and Comorbid Psychiatric Symptoms. Symposium to be presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies Annual Convention, New York City, NY.

Dvorsky, M. R., Streisand, R., Steinberg, A., **Chronis-Tuscano, A.**, & Piffner, L. J. (2022, November 17-20). Development and usability of a digital tool to promote adolescents' engagement in psychosocial treatment for ADHD. In M. R. Dvorsky & L. Haack (Chairs), *Optimizing Interventions for ADHD using Technology: Designs to Improve Treatment Engagement and Implementation* [Symposium].* Association for Behavioral and Cognitive Therapies (ABCT) 56th Annual Convention, New York City, NY, United States. *Presentation selected by ABCT Special Interest Groups as a SIG-Sponsored Presentation.

Chronis-Tuscano, A., Oddo, L.E., Schwartz, K.T.G. & Meinzer, M.C. (2023, January). Translating Developmental psychopathology findings into treatment for youth with comorbid ADHD and depression. In S. Pliszka (Chair), *ADHD & Mood Disorder: Recent Studies on Suicide Risk & Treatment Outcome*. American Professional Society for ADHD and Related Disorders (APSARD), Orlando, FL, United States.

Shakiba, N., Novick, D. R., Sem, K., Bui, H.N.T., Danko, C. M., Druskin, L., Rubin, K. H., Chronis-Tuscano, A., & Wagner, N. J. (2023, March 23-25). *RSA synchrony as a neurobiological marker of susceptibility to parenting behaviors among behaviorally inhibited Preschoolers*. Flash talk paper presented at the biennial meeting of the Society for Research in Child Development, Salt Lake City, UT, United States.

Sem, K., Shakiba, N., Bui, H., Novick, D., Danko, C., Chronis-Tuscano, A., Rubin, K., & Wagner, N. J. (2023, March). Examining Links Between Parent-Child Language Style Matching (LSM) and Observed Social Behaviors Using Pre-treatment Data From an Early Intervention for Inhibited Preschoolers. Presented at the biennial meeting for the Society for Research in Child Development (SRCD). Salt Lake City, Utah.

Shakiba, N., Novick, D. R., Sem, K., Bui, H.N.T., Danko, C. M., Druskin, L., Rubin, K. H., Chronis-Tuscano, A., & Wagner, N. J. RSA synchrony as a neurobiological marker of susceptibility to parenting behaviors among behaviorally inhibited Preschoolers. Flash talk paper is session: Parenting and Psychophysiology: Evaluating Complex Dyadic Processes. (N. Wagner, Moderator). To be presented at the biennial meeting of the Society for Research in Child Development, Salt Lake City, UT, March 2023.

Lorenzo, N.E., Lui, J.H.L. Lui, Marschall, D., Danko, C.D., Stein, M.A., & Chronis-Tuscano, A. (2023, March). Designing an intervention for parents with ADHD and their children. In Everett, Y. (Chair). Dual-Generation Treatments: Addressing Parent Mental Health in Parenting and Child-Focused Prevention and Intervention Programs. Symposium to be conducted at the biennial meeting of the Society for Research in Child Development.

Wagner, N.J., Shakiba, N., Bui, H., Novick, D., Sem, K., Danko, C., Rubin, K., & Chronis-Tuscano, A. (2023, June). *Examining the role of respiratory sinus arrhythmia in response to an early multi-component intervention for inhibited young children*. Oral Presentation at the biennial meeting for the International Society for Research in Child and Adolescent Psychopathology (ISRCAP). London, England.

Bui, H.N.T, Perlstein, S., Shakiba, N., Rubin, K.H., Sem, K., Lorenzo, N.E., Novick, D.R., Danko, C.M., Wagner, N.J. & Chronis-Tuscano, A. (2023, June). Individual and interactive effects of child and parent anxiety on behaviorally inhibited young children's RSA across social stressor tasks. Oral Presentation at the biennial meeting for the International Society for Research in Child and Adolescent Psychopathology (ISRCAP). London, England.

Dvorsky, M. R., Steinberg, A., **Chronis-Tuscano, A.**, & Pfiffner, L. J. (2023, June 21-24). Preliminary Efficacy of Advanced Tools for Organization Management (ATOM): A Digital Tool to Promote Adolescents' Engagement in Psychosocial Treatment for ADHD. In M. R. Dvorsky (Chair), *Novel Approaches to Optimizing Interventions for Adolescents with ADHD Using Technology* [Symposium]. 2023 International Society for Research in Child and Adolescent Psychopathology (ISRCAP) Biennial Meeting, London, England.

Dvorsky, M. R., Steinberg, A., Harlan, M., Streisand, R. **Chronis-Tuscano, A.**, & Pfiffner, L. J. (2023, January 12-15). Development of a Digital Tool to Promote Adolescents' Engagement in Organizational Skills Interventions. In T. Kennedy (Chair), *Leveraging Mobile Technology to Enhance Interventions for ADHD* [Symposium]. The 2023 American Professional Society of ADHD and Related Disorders (APSARD) Annual Meeting, Orlando, FL.

Dvorsky, M. R., Streisand, R., Steinberg, A., **Chronis-Tuscano, A.**, & Pfiffner, L. J. (2022, November 17-20). Development and Usability of a Digital Tool to Promote Adolescents' Engagement in Psychosocial Treatment for ADHD. In M. R. Dvorsky & L. Haack (Chairs), *Optimizing Interventions for ADHD using Technology: Designs to Improve Treatment Engagement and Implementation* [Symposium]. Association for Behavioral and Cognitive Therapies (ABCT) 56th Annual Convention, New York City, NY, United States.

Marsh, N.P., Oddo, L.E., Taubin, D., Steinberg, A., Murphy, J.G., **Chronis-Tuscano, A.** (2023, November). *Protective Behavioral Strategy Use in College Students with and without ADHD in a Daily Diary Study*. In Sibley, M (Chair), *Applying Ecological Momentary Assessment (EMA) & Daily Diary Methods to Identify Just-In-Time Intervention Targets for Adolescents & Young Adults with ADHD*. Symposium presented at the 57th Annual Meeting of Association for Behavioral and Cognitive Therapies, Seattle, WA.

Oddo, L. E., Acuff, S.F., Meinzer, M.C., Murphy, J. G., Vasko, J.M., Marsh, N.P., Taubin, D. & **Chronis-Tuscano, A.** (accepted). *Trajectories of Reward-Related Functioning in Motivational Interventions for College Drinkers with ADHD*. In Chan, E.S.M. (Chair) & Langberg, J.M. (Discussant), *Pathways to Wellbeing and Adaptive Functioning in ADHD*. Symposium to be presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies Annual Convention, Seattle, WA.

vii. Refereed Abstracts

Clarke, T. L., **Chronis-Tuscano, A. M.**, Raggi, V. L., Diaz, Y., & Ali, M. (2007, May). *Parenting and overt/covert patterns of antisocial behavior in children with ADHD*. Abstract presented at the meeting of the Association for Psychological Science, Washington, D.C.

viii. Posters

ix. Refereed Posters

Pelham, W. E., Burrows-Maclean, L., Gnagy, E. M., Forehand, G. L., Fabiano, G. A., Morrissey, S., Williams, A., . . . **Chronis, A.M.**, . . . Panahon, C. (1999, October). *Once-a-day OROS® methylphenidate versus t.i.d. methylphenidate in natural settings*. Poster presented at the meeting of the American Academy of Child and Adolescent Psychiatry, Chicago, IL.

Chronis, A. M., Pelham, W. E., Roberts, J. E., Gamble, S. A., Gnagy, E. M., & Burrows-MacLean, L. (1999, November). *Two approaches to managing stress in parents of children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Toronto, Ontario.

Fabiano, G. A., Pelham, W. E., Gnagy, E. M., Kipp, H., Lahey, B. B., Burrows-MacLean, L., **Chronis, A. M.**, . . . Morrissey, S. (1999, November). *The reliability and validity of the children's impairment rating scale: A practical measure of impairment in children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Toronto, Ontario.

Onyango, A. N., Pelham, W. E., Gnagy, E. M., Burrows-MacLean, L., Fabiano, G. A., Morrisey, S., . . . **Chronis, A.**, . . . Steiner, R. (1999, November). *"It's my turn!": The social behavior of younger and older ADHD, ADHD/CD and comparison children in small group board game interactions*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Toronto, Ontario.

Williams, A., Gnagy, E., **Chronis, A. M.**, Onyango, A. N., Fabiano, G., Torrence, C., . . . Pelham, W. E. (2000, August). *Classroom assessment of Adderall in children with ADHD*. Poster presented at the meeting of the American Psychological Association, Washington, DC.

Chronis, A. M., Gamble, S. A., Roberts, J. E., & Pelham, W. E. (2000, November). *Cognitive-behavioral therapy for mothers of children with ADHD: Changing distorted maternal cognitions about child behavior*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Fabiano, G. A., Pelham, W. E., Manos, M. J., Ezzell, C. E., Gnagy, E. M., Burrows-MacLean, L., **Chronis, A. M.**, . . . Swain, S. (2000, November). *A multi-site, repeated measures, cross-over evaluation of three time out procedures for children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Meichenbaum, D. L., Pelham, W. E., Gnagy, E. M., & **Chronis, A. M.** (2000, November). *Explaining blue Mondays for an ADHD/ODD adolescent through functional analysis*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Chacko, A., **Chronis, A.**, Pelham, W. E., DeSio, A., & Seymour, K. (2001, May). *Case study of an 11-year old female with comorbid trichotillomania, ADHD, predominately inattentive type, and ODD*. Poster presented at the meeting of the Association for Behavior Analysis, New Orleans, LA.

Wymbs, B. T., **Chronis, A. M.**, & Pelham, W. E. (2001, June). *Variability of tic patterns in a 9-year-old male with comorbid Asperger's syndrome, ODD, and tic disorder in the context of a manualized behavioral intervention*. Poster presented at the Tenth Scientific Meeting, International Society for Research in Child and Adolescent Psychopathology, Vancouver, BC.

Wymbs, B. T., **Chronis, A. M.**, & Pelham, W. E., Jr. (2001, August). *Individual assessment of behavioral, pharmacological, and combined treatments for ADHD*. Poster presented at the American Psychological Association Conference, San Francisco, CA.

Chronis, A. M., Roberts, J. E., Pelham, W. E., & Gamble, S. A. (2001, November). *The addition of "The Coping with Depression Course" to behavioral parent training for mothers of children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Philadelphia, PA.

Wienke, A., Wymbs, B., Chacko, A., Fabiano, G., **Chronis, A.**, & Pelham, W. (2001, November). *The flexibility and effectiveness of treatment manuals*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Philadelphia, PA.

Williams, A., **Chronis, A. M.**, Onyango, A. N., Fabiano, G. A., Chacko, A., Wymbs, B., . . . Pelham, W.E. (2001, November). *Effectiveness of combined treatment versus medication in the treatment*

of children with ADHD. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Philadelphia, PA.

Pelham, W.E., Manos, M.J., Tresco, K.E., Gnagy, E.M., Hoffman, M.T., Onyango, A.N., & **Chronis, A.M.** (2002, May). *Efficacy of once-daily transdermal methylphenidate in children with ADHD*. Poster presented at the meeting of the American Psychiatric Association, Philadelphia, PA.

Chronis, A. M., Fabiano, G. A., Gnagy, E. M., Onyango, A. N., Pelham, W. E., Williams, A., . . . Seymour, K. E. (2002, November). *A within-subjects evaluation of the effectiveness of the summer treatment program for children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Reno, Nevada.

Chronis, A. M., Lahey, B. B., Pelham, W. E., Kipp, H. L., & Baumann, B. L. (2002, November). *Family functioning in young children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Reno, Nevada.

Chronis, A. M., Pelham, W. E., Lahey, B. B., Kipp, H. L., & Baumann, B. L. (2003, June). *Associations between maternal depression, child diagnosis, and maternal cognitions in young children with ADHD*. Poster presented at the meeting of the International Society for Research in Child & Adolescent Psychopathology, Sydney, Australia.

Masseti, G. M., **Chronis, A. M.**, Keenan, K., & Wakschlag, L. S. (2003, June). *Correlates of ADHD in urban low-income preschoolers referred for disruptive behavior disorders*. Poster presented at the meeting of the International Society for Research in Child & Adolescent Psychopathology, Sydney, Australia.

Chronis, A. M., Hurt, E.A., Hoza, B., Pelham, W. E., & Lahey, B. B. (2003, November). *The factor analytic structure of the Interactions Questionnaire*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Diaz, Y., Jones, H., & **Chronis, A. M.** (2003, November). *Attention-deficit/hyperactivity disorder in African-American children: Implications for assessment and treatment*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Gamble, S. A., **Chronis, A. M.**, Roberts, J. E., & Pelham, W. E. (2003, November). *Self-esteem reactivity and depression-proneness in mothers of children with attention deficit hyperactivity disorder*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Hurt, E. A., **Chronis, A. M.**, Hoza, B., Pelham, W. E., & Lahey, B. B. (2003, November). *Associations between expectations, attributions, and depression in parents of children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Raggi, V. L., **Chronis, A. M.**, Bercau, E., & Sanchez, L. (2004, November). *A homework intervention program for adolescents with ADHD: Preliminary findings from four case studies*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Sanchez, L. M., **Chronis, A. M.**, & Hunter, S. J. (2004, November). *Improving compliance with diabetes management in adolescents with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Wagner, S. M., **Chronis, A. M.**, & Efron, L. A. (2004, November). *Differences in perceptions and parenting in mothers and fathers of children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Clarke, T. L., **Chronis, A. M.**, & Raggi, V. L. (2005, June). *Personality and parenting in mothers of children with ADHD*. Poster presented at the meeting of the International Society for Research in Child and Adolescent Psychopathology, New York, NY.

Diaz, Y., **Chronis, A.**, & Manoel, L. (2005, August). *Association between parenting and child behavior problems among Latino families*. Poster presented at the meeting of the American Psychological Association, Washington, DC.

Jones, H. A., **Chronis, A. M.**, Waldemayer, K., & Kleinman, S. (2005, August). *Teacher knowledge and training about attention-deficit/hyperactivity disorder*. Poster presented at the meeting of the American Psychological Association, Washington, DC.

Clarke, T. L., **Chronis, A. M.**, Raggi, V. L., Diaz, Y., & Belendiuk, K. A. (2005, November). *ADHD symptoms in adults and big five personality traits: A multi-method approach*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Washington, DC.

Diaz, Y., Jones, H., **Chronis, A. M.**, Raggi, V. L., Clarke, T. L., & Belendiuk, K. A. (2005, November). *Comparison of African American and Caucasian children presenting to a university-based ADHD clinic: Differences in demographics, symptoms and impairment*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Washington, DC.

Raggi, V. L., **Chronis, A. M.**, Diaz, Y., Clarke, T. L., & Adams, M. (2005, November). *Relative contribution of inattentive & hyperactive/impulsive symptoms in the prediction of domains of functional impairment in children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Washington, DC.

Seymour, K. E., **Chronis, A. M.**, Clarke, T. L., Raggi, V. L., Diaz, Y., & Coll, K. (2005, November). *Are there differences in parenting of boys and girls with ADHD?* Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Washington, DC.

Chronis, A. M., Seymour, K. E., Robb, A. S., Jones, H. A., Jiles, C. D., Rooney, M., . . . Wagner, S.A., & Stein, M.A. (2006, October). *Pharmacological treatment for ADHD mothers of children with ADHD*. Poster presented at the meeting of the American Academy of Child and Adolescent Psychiatry, San Diego, CA.

Avny, S., **Chronis, A. M.**, Clarke, T. L., & Raggi, V. L. (2006, November). *Inattention and hyperactivity/ impulsivity as predictors of parenting in families of children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, IL.

Clarke, T. L., **Chronis, A. M.**, Raggi, V. L., Gotleib, M., & Diaz, Y. (2006, November). *Maternal personality predicts ODD symptoms in children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, IL.

Clarke, T. L., **Chronis, A. M.**, Raggi, V. L., Seymour, K. E., Diaz, Y., Wright, D., & Johnston, C. (2007, March). *Maternal responsiveness and five-factor model personality dimensions in families of children with ADHD*. Poster presented at the meeting of the Society for Research in Child Development, Boston, MA.

Seymour, K. E., **Chronis, A. M.**, Raggi, V. L., Clarke, T. L., Diaz, Y., & Johnston, C. (2007, March). *Are there differences in maternal responsiveness toward boys and girls with ADHD?* Poster presented at the meeting of the Society for Research in Child Development, Boston, MA.

Chronis-Tuscano, A. M., Raggi, V. L., Clarke, T. L., Seymour, K. E., Diaz, Y., & Johnston, C. (2007, June). *Associations between maternal ADHD symptoms and parenting*. Poster presented at the 13th Scientific Meeting of the International Society for Research in Child and Adolescent Psychopathology, London, UK.

Avny, S. B., **Chronis-Tuscano, A. M.**, Clarke, T., Pian, J., Rooney, M., & Raggi, V. L. (2007, November). *Are child inattentive & hyperactive/impulsive ADHD symptoms differentially related to parenting?* Poster presented at the Association for Advancement of Behavior Therapy, Philadelphia, PA.

Chronis-Tuscano, A., Clarke, T., Raggi, V., Diaz, Y., Seymour, K., & Rooney, M. (2007, November). *Integrated Parenting Intervention for Depressed Mothers of Children with ADHD*. Poster presented at the Association for Advancement of Behavior Therapy, Philadelphia, PA.

Clarke, T.L., **Chronis-Tuscano, A.M.**, Raggi, V.L., & Diaz, Y. (2007, November). *Maternal personality and its relationship to child overt and covert behavior in children with ADHD: The mediating role of parenting*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Jones, H. A. & **Chronis-Tuscano, A. M.** (2007, November). *Teacher in-service training for ADHD*. Poster presented at the meeting of the Association of Behavioral and Cognitive Therapies, Philadelphia, PA.

Raggi, V., **Chronis-Tuscano, A.**, Fishbein, H., Valliant, J., & Groomes, A. (2007, November). *Development of a behavioral intervention to address the homework-related problems of middle school students with ADHD*. Poster presented at the Association for Advancement of Behavior Therapy, Philadelphia, PA.

Mintz, A. D., **Chronis-Tuscano, A.**, Clarke, T., Raggi, V., & Diaz, Y. (2008, September). *Associations between paternal psychopathology and conduct problems in children with ADHD*. Poster presented at meeting of the Society for the Study for Research in Psychopathology, Pittsburgh, PA.

Clarke, T. L., **Chronis-Tuscano, A. M.**, Rebsch, C., Groomes, A., Knight, L., Seymour, K. E., Diaz, Y., & Mintz, A. (2008, November). *Maternal psychopathology: Relationship to child psychopathic traits in children with ADHD*. Poster presented at the meeting of the Association for Behavior and Cognitive Therapy, Orlando, FL.

Rooney, M., **Chronis-Tuscano, A. M.**, Yoon, Y., & Pian, J. (2008, November). *Alcohol and drug use in college students with ADHD*. Poster presented at the meeting of the Association for Behavior and Cognitive Therapy, Orlando, FL.

Chronis-Tuscano, A., O'Brien, K. A., Jones, H. A., Raggi, V. L., Johnston, C., Clarke, T. L., . . . Seymour, K. E. (2009, June). *Impact of maternal ADHD on parent training participation and outcomes*. Poster presented at the meeting of the International Society for Research of Child and Adolescent Psychopathology, Seattle, WA.

Mintz, A. D., **Chronis-Tuscano, A.**, Seymour, K. E., Clarke, T. L., Diaz, Y., Knight, L., & O'Brien, K. A. (2009, June). *Marital status moderates the maternal depression – child externalizing relationship*. Poster presented at the meeting of the International Society for Research on Child and Adolescent Psychopathology, Seattle, Washington.

O'Brien, K. A., **Chronis-Tuscano, A.**, Clarke, T. L., Halldorsdottir, T., Knight, L., Seymour, K. E., . . . Diaz, Y. (2009, June). *Parenting correlates of co-occurring problem behaviors among children with ADHD*. Poster presented at the meeting of the International Society for Research of Child and Adolescent Psychopathology, Seattle, WA.

Rooney, M., & **Chronis-Tuscano, A. M.** (2009, June). *Substance use in college students with ADHD*. Poster presented at the meeting of the International Society for Research in Child and Adolescent Psychopathology, Seattle, WA.

Knight, L., **Chronis-Tuscano, A.**, Clarke, T., O'Brien, K. A., Diaz, Y., Raggi, V. L., . . . Mintz, A. D. (2009, November). *Predictors of treatment attendance and attrition in an integrated behavioral parent training program for depressed mothers of children with ADHD*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapy, New York, NY.

O'Brien, K. A., **Chronis-Tuscano, A.**, Clarke, T., Hoffman, M., Santana, E., Diaz, Y., . . . Knight, L. (2010, November). *Observed negative parenting and maternal depression independently predict observed child inappropriate behavior in families of children with ADHD*. Poster presented at the meeting of the Association for the Advancement of Cognitive and Behavioral Therapies, San Francisco, CA.

Santana, E., O'Brien, K. A., & **Chronis-Tuscano, A.** (2010, November). *Preliminary test of the "similarity-fit hypothesis" for parents and children with ADHD symptoms: Does situation type matter?* Poster presented at the meeting of the Association for the Advancement of Cognitive and Behavioral Therapies, San Francisco, CA.

Chronis-Tuscano, A., O'Brien, K. A., Johnston, C., Jones, H. A., Clarke, T. L., Raggi, V. L., . . . Seymour, K. E. (2011, June). *Improvement in parenting mediates the relationship between maternal ADHD and parent training outcomes*. Poster presented at the meeting of the International Society for Research in Child and Adolescent Psychopathology, Chicago, IL.

Lewis-Morrarty, E. E., Degnan, K. A., **Chronis-Tuscano, A.**, Rubin, K. H., Pine, D., & Fox, N. A. (2011, June). *Child temperament, gender, and parental overcontrol predict social anxiety symptoms in adolescence*. Poster presented at the meeting of the International Society for Research in Child and Adolescent Psychopathology, Chicago, IL.

Seymour, K. E., **Chronis-Tuscano, A.**, Halldorsdottir, T., Owens, K., & Sacks, T. (2011, June). *Emotion regulation mediates the relationship between ADHD and depressive symptoms in youth*. Poster presented at the meeting of the International Society for Research in Child and Adolescent Psychopathology, Chicago, IL.

Thomas, S. R., **Chronis-Tuscano, A.**, O'Brien, K. A., Clarke, T. L., & Frechette, E. M. (2011, July). *Personality and observed parenting behaviors in mothers of children with ADHD*. Poster presented at the meeting of the Association of Black Psychologists, Crystal City, VA.

Thomas, S. R., **Chronis-Tuscano, A.**, & O'Brien, K. (2011, November). *Sequential analysis of observed parent-child interactions in families of children with ADHD*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapy, Toronto, ON, Canada.

Higgins, S. L., **Chronis-Tuscano, A.**, & Rooney, M. (2011, November). *Risky sexual behavior in college students with and without attention-deficit/hyperactivity disorder*. Poster presented at the meeting of the Association for Cognitive and Behavioral Therapies, Toronto, ON, Canada.

Chronis-Tuscano, A., Thomas, S. R., O'Brien, K. A., Higgins, S. L., Dougherty, L. R., Ellison, K., . . . Rubin, K. H. (2012, November). *The turtle project: A multi-component intervention to help inhibited preschoolers come out of their shells*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapy, National Harbor, MD.

Woods, K. E., Siegel, A. H., Lewis-Morrarty, E., O'Brien, K., Mazursky-Horowitz, H., Thomas, S., & Chronis-Tuscano, A. (2013, May). *A preliminary evaluation of Parent-Child Interaction Therapy-Emotion Development for preschoolers with attention-deficit/hyperactivity disorder*. Poster presented at the meeting of the University of Maryland Undergraduate Research Day and PSYC Terps Research Fair, College Park, MD.

Frenkel, T. I., Fox, N. A., Pine, D. S., Walker, O. L., Degnan, K. A., Lewis-Morrarty, E. E., & **Chronis-Tuscano, A.** (2013, June). *Stable early behavioral inhibition predicts adult internalizing problems and substance abuse*. Poster presented at the meeting of the International Society for Research on Child and Adolescent Psychopathology, Leuven, Belgium.

Seymour, K. E., **Chronis-Tuscano, A.**, Iwamoto, D. K., Kurdziel, G., & MacPherson, L. (2013, June). *Emotion regulation mediates the longitudinal association between youth ADHD and depressive symptoms*. Poster presented at the meeting of the International Society for Research on Child and Adolescent Psychopathology, Leuven, Belgium.

Mazursky-Horowitz, H., Felton, J. W., MacPherson, L., Ehrlich, K. B., Cassidy, J., Lejuez, C. W., & **Chronis-Tuscano, A.** (2013, November). *Maternal emotion regulation mediates the association between adult attention-deficit/hyperactivity disorder symptoms and parenting*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

Thomas, S. R., **Chronis-Tuscano, A.**, O'Brien, K.A., & Clarke, T. L. (2013, November). *Maternal depression history moderates maternal responses to the compliant and noncompliant behaviors of their children*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

Woods, K. E., Mazursky-Horowitz, H., Lewis-Morrarty, E., O'Brien, K. A., Thomas, S. R., & **Chronis-Tuscano, A.** (2013, November). *Tailoring Parent-Child Interaction Therapy to meet the emotional needs of young children with ADHD*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

LeMoine, K. A., Felton, J. W., **Chronis-Tuscano, A.**, & Rubin, K. H. (2014, May). *ADHD, Social Support and Gender Interact to Predict Delinquent Behaviour at the Transition to High School*. Poster presented at Development 2014: A Canadian Conference on Developmental Psychology, Ottawa, Ontario.

Choque, C., Felton, J. W., Loya, J. M., Chen, S. Z., MacPherson, L., **Chronis-Tuscano, A.**, & Lejuez, C. W. (2014, August). *Inattentive-Type ADHD Predicts Higher Depression Levels in a Community Sample of Youth*. Poster presented at the American Psychological Association Annual Convention. Washington, DC.

Woods, K. E., Mazursky-Horowitz, H., Wang, C., Zoromski, A., & **Chronis-Tuscano A.** (2014, November). *A preliminary examination of the relationship between child executive functioning task performance and observed behaviors in the Summer Treatment Program*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Thomas, S.R., Smith, V.C., Dougherty, L.R., Rubin, K.H., & **Chronis-Tucano, A.** (2015, July). *Paternal Psychological Functioning, Parenting and Child Sleep Problems among Inhibited/Anxious Preschoolers*. Poster presented at the annual meeting of the International Society for Research in Child and Adolescent Psychopathology, Portland, OR.

Degnan, K.A., Lewis-Morrarty, E., McDermott, J.M., & **Chronis-Tuscano, A.** (November, 2015). *Maternal Gentle Discipline Predicts the Development of Child Executive Functioning among Exuberant Children*. Poster presented at the Association for Behavioral and Cognitive Therapies (ABCT), Chicago, IL.

Wang, C.H., Woods, K.W., Barstead, M.G., Mazursky-Horowitz, H., Zoromski, A. LeMoine, K.A., **Chronis-Tuscano, A.** (2015, November). *Parent ADHD Symptoms Predict Overall and Rate of Change in Observed Child Behavior within the Summer Treatment Program: A Hierarchical Linear Modeling Approach*. Poster presentation presented at the 49th annual meeting of the Association of Behavioral and Cognitive Therapies (ABCT), Chicago, Illinois.

Woods, K. E., Wang, C. H., Barstead, M. G., Mazursky-Horowitz, H., Zoromski, A., & **Chronis-Tuscano, A.** (2015, November). *Child emotional lability and negativity predicts behavior change at the Summer Treatment Program*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.

Schoenfelder, E., Chronis-Tuscano, A., Strickland, J., French, W., Zinner, S., Miller, L., & Stein, M. (2016, Jan) *Treating Mothers First: Stimulant Medication and Parent Training Effects on Maternal ADHD Symptoms and Functioning*. Poster presented at American Professional Society of ADHD and Related Disorders (APSARD) Annual Meeting; Washington, D.C.

Mazursky-Horowitz, H., Thomas, S. R., Woods, K. E., Chrabaszcz, J., Deater-Deckard, K., & **Chronis-Tuscano, A.** (2016, October). *Executive Functioning and Parenting in Mothers of Children with and without ADHD*. Poster presented at the 50th annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

Novick, D.R., Danko, C.M., Mazursky-Horowitz, H., Wang, C.H., Smith, K., O'Brien, K., Rubin, K.H., **Chronis-Tuscano, A.** (2016, October). Homework Completion in Early-intervention Programs for Behaviorally Inhibited Preschool Children. Poster presented at the 50th annual meeting of the Association of Behavioral and Cognitive Therapies (ABCT), New York, NY.

Saldana, L., Danko, C. M., Mazursky-Horowitz, H., & **Chronis-Tuscano, A.** (2016, October). *Maternal Depression as a Predictor of Parental Scaffolding*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

Stein M, Strickland J, Schoenfelder E, French W, Zinner S, Miller L, Almirall D, & **Chronis-Tuscano A.** (2016, October). *Treating Mothers with ADHD: a Smart Pilot*. Poster presented at 4th International EUNYTHYDIS Conference on ADHD, October 2016, Berlin, Germany.

Wang, C.H., Teetsel, R.N., Danko, C.M., Novick, D., Saldana, L., Douglas, J., Hipple, L., McCown, C., Rubin, K.H., **Chronis-Tuscano, A.** (2016, October). Parental Anxiety and Family Accommodations at Baseline among Families Seeking Treatment for Pre-school Anxiety. Poster presented at the 50th annual meeting of the Association of Behavioral and Cognitive Therapies (ABCT), New York, NY.

Schoenfelder, E., **Chronis-Tuscano, A.**, Strickland, J., Bliss, E., Almirall, D., & Stein, M. (2017, Jan). *Treating Mothers First: Acceptability and Engagement in Pharmacological Treatment and Behavioral Parent Training for Mothers with ADHD*. Poster presented at American Professional Society of ADHD and Related Disorders (APSARD) Annual Meeting; Washington, D.C.

Danielson, M.L., Visser, S.N., Holbrook, J.R., **Chronis-Tuscano, A.**, & DuPaul, G.J.. (2017, April). *Treatment for ADHD among Adolescents with ADHD in the United States, 2014*. Poster presented at the 6th World Congress on ADHD, Vancouver, British Columbia, Canada.

Hamburger, S., Barstead, M., Smith, K., Wagner, N., Danko, C., **Chronis-Tuscano, A.**, & Rubin, K. (2017, May). *Influence of baseline physiology of behaviorally inhibited preschool children involved in early intervention*. Poster presented at the 29th Association for Psychological Science Annual Convention. Boston, MA.

DuPaul, G.J., **Chronis-Tuscano, A.**, Danielson, M., & Visser, S. (2017, June). *Predictors of functioning and receipt of school services for youth with ADHD*. Poster presented at the 18th Scientific Meeting of the International Society for Research in Child and Adolescent Psychopathology, Amsterdam, North Holland, Netherlands.

Wagner, N., Danko, C., **Chronis-Tuscano, A.**, Rubin, K., Coffman, J., & Propper, C. (2017, August). *Observed Peer Problems Moderate Links between Self-Regulation and Academic Achievement in Preschool*. Poster presented at the 2017 American Psychological Annual Convention in Washington D.C.

Danko, C. M., Barstead, M. G., Wagner, N. J., Wang, C. W., Novick, D. R., Badders, R. N., Smith, K. A., Dougherty, L. R., Rubin, K. H., & **Chronis-Tuscano, A.** (accepted). *The effects of family accommodation on intervention outcomes for behaviorally inhibited young children*. Poster presented at the 2017 Biennial PCIT International Convention, Traverse City, MI.

Stein, M.A., Sasser, T., Strickland, J., French, W., Schoenfelder, E., Zinner, S., Miller, L., **Chronis-Tuscano, A.** (2018, March). Treating Mothers First: Stimulant Medication versus Behavioral Parent Training Effects on Mothers with ADHD. American Society for Clinical Psychopharmacology. New York, New York.

Vasko, J. M., Meinzer, M. C., Murphy, J. G., McCauley, K. L., Rooney, M. E., Oddo, L. E., Lejuez, C. W., & **Chronis-Tuscano, A.** (2017, November). *Development and preliminary evaluation of SUCCEEDS for college students with ADHD*. Poster presented at the 51st Annual Convention for the Association for Behavioral and Cognitive Therapies, San Diego, California.

Wang, C.H., Miller, K., Danko, R., Moore, R., Cohn-Klein, S., Shulman, S., Johnston, P., Barnett, S., and **Chronis-Tuscano, A.**, (November, 2017) *Dissemination and implementation of the integrated parenting intervention for ADHD in a community setting*. Presentation delivered at the 51st annual meeting of Association of Behavioral and Cognitive Therapies (ABCT), Meeting of the Social Learning Special Interest Group, San Diego, CA.

Danko, C.M., Barstead, M.G., Wagner, N.J., Wang, C.W., Novick, D.R., Badders, R.N., Smith, K.A., Dougherty, L.R., Rubin, K.H., & **Chronis-Tuscano, A.** (2017). *The effects of family accommodation on intervention outcomes for behaviorally inhibited young children*. Poster presented at the 2017 Biennial PCIT International Convention, Traverse City, MI.

Wagner, N., Danko, C.M., **Chronis-Tuscano, A.**, Rubin, K., Coffman, J., & Propper, C. (2017) *Observed peer problems moderate links between self-regulation and academic achievement in preschool*. Poster presented at the 2017 American Psychological Annual Convention in Washington D.C.

Danko, C.M., Wagner, N.J., Barstead, M.G., Novick, D.R., Badders, R.N., Smith, K.A., Wang, C.W., Dougherty, L.R., Rubin, K.H., & **Chronis-Tuscano, A.** (2017). *Response to early intervention for behavioral inhibition is moderated by parental anxiety*. Poster presented at The Journal of Clinical Child and Adolescent Psychology Future Directions Forum, College Park, MD.

Meinzer, M. C., Vasko, J. M., Oddo, L. E., Murphy, J. G., Lejuez, C. W., & **Chronis-Tuscano, A.** (2018, March). Modified Behavioral Activation to Reduce Depression in College Students with ADHD. Poster presented at the World ADHD Congress, Tel-Aviv, Israel.

Miller, N.V., **Chronis-Tuscano, A.**, Degnan, K., & Fox, N. (2018, January). Longitudinal relation between infant motor activity and childhood ADHD symptoms: Moderation by maternal sensitivity. Poster presented at the *Annual Meeting for the American Professional Society of ADHD and Related Disorders*, Washington, DC.

Oddo, L.E., Felton, J.W., Meinzer, M.C., Mazursky-Horowitz, H., Lejuez, C.W., **Chronis-Tuscano, A.** Trajectories of Depression Symptoms in Adolescence: The Interplay of Maternal Emotion Regulation and Youth ADHD Symptomatology. Poster presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, Washington, D.C.

Novick, D.R., Danko, C.M., Barstead, M.G., Badders, R.N., Clinton, R., Wang, C.H., Smith, K.A., Wagner, N.J., Dougherty, L., Coplan, R.J., Rubin, K.H., & **Chronis-Tuscano, A.** (2018, November). *Predictors and Moderators of Treatment Attendance in Early Intervention Programs for Behaviorally Inhibited Preschool Children*. Poster presented at the 52nd annual meeting of the Association for Behavioral and Cognitive Therapies (ABCT), Washington, DC.

Woods, K. E., Mazursky-Horowitz, H., Thomas, S. R., Dougherty, L. R., & **Chronis-Tuscano, A.** (2018, November). *The unique contributions of maternal ADHD symptoms and emotion dysregulation to parenting difficulties*. Poster presented at the meeting of the Association for Behavioral and Cognitive Therapies, Washington, DC.

Robinson J, Rosch KS, Seymour KE, Vasko J, Meinzer MC, Oddo LE & **Chronis-Tuscano A.** (November 2018). Sensitivity to Reward Predicts Improvement in Inhibitory Control with Reward among College Students with ADHD and Alcohol-Related Problems. Abstract accepted for presentation at the annual meeting of the American Professional Society for ADHD and Related Disorder, January 18-20, 2019, Washington, DC.

Robinson, J, Rosch, K, Seymour, K.E., Vasko, J., Meinzer, M.C., Oddo, L.E., & **Chronis-Tuscano, A.** (January, 2019). *Sensitivity to Reward Predicts Improvement in Inhibitory Control with Reward among College Students with ADHD and Alcohol-Related Problems*. Poster presented at the Annual Meeting of the American Professional Society of ADHD and Related Disorders, Washington, D.C.

Delinski, E., Smith, K., Rubin, K., Wagner, N., Danko, C., & **Chronis-Tuscano, A.** (2019, March). *Parenting of behaviorally inhibited children: A comparison of perceived parenting values and observed parenting behaviors*. Poster presented at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.

Meinzer, M. C., Felton, J. W., Oddo, L. E., Rubin, K., & **Chronis-Tuscano, A.** (March, 2019) *ADHD and Parent-Child Relationship Difficulties at the Transition to High School Predict Depressive Symptoms*. Poster presented at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.

Druskin, L. R., Barstead, M. G., Novick, D. R., Smith, K. A., Fleece, H. M., Wagner, N. J., Danko, C. D., **Chronis-Tuscano, A.**, & Rubin, K. H. (2019, May). *Parasympathetic control moderates inhibited children's susceptibility to parental influences on play behaviors*. Poster presented at the 31st APS Annual Convention, Washington, D.C.

Druskin, L. R., Barstead, M. G., Novick, D. R., Smith, K. A., Fleece, H. M., Wagner, N. J., Danko, C. M., **Chronis-Tuscano, A.**, & Rubin, K. H. (2019, May). Parasympathetic control moderates inhibited children's susceptibility to parental influences on play behaviors. Poster presented at the 31st Association for Psychological Science (APS) Annual Convention, Washington, D.C.

Oddo, L.E., Acuff, S.F., Arenson, M.B., Triage, P., Meinzer, M.C., Goldman, M., MacKillop, J., Tucker, J., **Chronis-Tuscano, A.**, & Murphy, J.G. (June, 2019). *Empirically Derived Profiles of Problematic Alcohol Use: Relationships with ADHD and Reward Functioning*. Poster to be presented at the Annual Meeting of the Research Society on Alcoholism, Minneapolis, MN.

Oddo, L.E., Acuff, S.F., Arenson, M.B., Triage, P., Meinzer, M.C., MacKillop, J., Tucker, J., Goldman, M., **Chronis-Tuscano, A.**, and Murphy, J. (June, 2019). *Empirically Derived Profiles of Problematic Alcohol Use: Relationships with ADHD and Reward Functioning*. Poster presented at the Annual Meeting of the Research Society on Alcoholism, Minneapolis, MN.

Druskin, L. R., Smith, K. A., Novick, D. R., Barstead, M. G., Danko, C. M., Badders, R., Wagner, N. J., Dougherty, L. R., **Chronis-Tuscano, A.**, & Rubin, K. H. (2019, November). *The moderating effects of parent and child anxiety on the association between physiological regulation and parental accommodation*. Poster presented at the 53rd Association for Behavioral and Cognitive Therapies (ABCT) Annual Convention, Atlanta, GA.

Triece, P., Meinzer, M., Oddo, L., Vasko, J., **Chronis-Tuscano, A.** (2019, November). *Depressive Symptoms and Concurrent Alcohol Consequences in College Students with ADHD: The Role of Avoidance/Rumination*. Poster presented at the 53rd Annual Meeting of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.

Druskin, L. R., Smith, K. A., Novick, D. R., Fleece, H. M., Pham, S. N., **Chronis-Tuscano, A.**, & Rubin, K. H. (2019, November). In the eye of the beholder: Parent perceptions more highly predict their accommodations of child anxiety than naturalistic observations. Poster presented at the 53rd annual meeting of the Association for Behavioral and Cognitive Therapies (ABCT), Meeting of the Child & Adolescent Anxiety Special Interest Group (SIG), Atlanta, GA.
**Poster Award Winner*

Fleece, H. M., Smith, K. A., Druskin, L. R., Pham, S. N., **Chronis-Tuscano, A.**, & Rubin, K. H. (2019, November). *Observed Social Behavior of Preschool Children with Parents with Internalizing Disorders*. Poster presented at the 53rd annual meeting of the Association for Behavioral and Cognitive Therapies (ABCT), Atlanta, GA.

Triece, P., Meinzer, M., Oddo, L.E., Vasko, J., **Chronis-Tuscano, A.** (2019, November). *Depressive Symptoms and Concurrent Alcohol Consequences in College Students with ADHD: The Role of Avoidance/Rumination*. Poster to be presented at the 53rd Annual Meeting of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.

Novick, D.R., Barstead, M.G., Smith, K.A., Danko, C.M., Rubin, K.H., Badders, R.N., Druskin, L., Wagner, N.J., Dougherty, L., Coplan, R.J., **Chronis-Tuscano, A.** (November, 2019). *Predictors and moderators of parent engagement in early intervention programs for behaviorally inhibited preschool age children*. Poster presented at the 53rd annual meeting of the Association for Behavioral and Cognitive Therapies (ABCT), Atlanta, GA.

Novick, D.R., Barstead, M.G., Smith, K.A., Danko, C.M., Rubin, K.H., Badders, R.N., Druskin, L., Wagner, N.J., Dougherty, L., Coplan, R.J., **Chronis-Tuscano, A.** (November, 2019). *Predictors and moderators of parent engagement in early intervention programs for behaviorally inhibited preschool age children*. Poster presented at the 53rd annual meeting of the Association for Behavioral and Cognitive Therapies (ABCT), Atlanta, GA.

Fleece, H. M., Smith, K. A., Druskin, L. R., Pham, S. N., **Chronis-Tuscano, A.**, & Rubin, K. H. (2019, November). *Observed social behavior of preschool children with parents with internalizing disorders*. Poster presented at the 53rd annual meeting of the Association for Behavioral and Cognitive Therapies (ABCT), Atlanta, GA.

Garner, A. M., Gliese, S., **Chronis-Tuscano, A.**, & Lefler, E. K. (January 2020). *Predictors of non-suicidal self-injury: Guilt related to alcohol use in a college sample with elevated ADHD and internalizing symptoms*. Poster presented at the 6th annual meeting of the American Professional Society of ADHD and Related Disorders.

Oddo, L.E., Garner, A., Meinzer, M.C., **Chronis-Tuscano, A.** (August, 2020). *Psychostimulant Misuse and Diversion: Characterizing Risk in College Drinkers with ADHD*. Poster to be presented at the Annual Convention of the American Psychological Association (Division 28), Washington, D.C.

Melendez, C., Lorenzo, N., Bahrack, L., Bagner, D., **Chronis-Tuscano, A.** (2020). *Parent emotion-related talk in English- and Spanish-speaking mothers of infants*. Poster will be presented at the meeting of the American Psychological Association conference, Washington, D.C.

Butler, C.A., Novick, D.R., Danko, C.M., Oddo, L.E., Clarke, T.L., Brooks, J.B., & **Chronis-Tuscano, A.** (June, 2020). The Conditional Effects of Child ADHD Symptoms on the Relation Between Maternal Depressive Symptoms and Parent Attributions. Poster accepted to the Journal of Clinical Child and Adolescent Psychology Future Directions Forum. Washington, DC.

Brooks, J.B., Oddo, L.E., Rooney, M.E., Novick, D.R., Butler, C.A., **Chronis-Tuscano, A.** (June, 2020). The Association Between Alcohol Risk Perception and Drinking Behavior in College: Conditional Effects of ADHD. Poster accepted to the Journal of Clinical Child and Adolescent Psychology Future Directions Forum. Washington, DC.

Druskin, L. R., Smith, K. A., Novick, D. R., Wagner, N. J., Danko, C. M., Dougherty, L. R., **Chronis-Tuscano, A.**, & Rubin, K. H. (2020, November). Multi-method predictors of treatment response in the Turtle Program for children high in behavioral inhibition. Poster to be presented at the 54th annual meeting of the Association for Behavioral and Cognitive Therapies (ABCT), Philadelphia, PA.

Oddo, L.E., Brooks, J.B., Meinzer, M.C., **Chronis-Tuscano, A.** (2020, November). Risky Sexual Behavior in College Student Drinkers with ADHD: Patterns, Correlates, and Gender Differences. Poster to be presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies.

Gallagher, V., Meinzer, M., Oddo, L., Vasko, J., **Chronis-Tuscano, A.** (2021, January) *Associations between Medication Use, Academic Accommodations, and Functioning in College Students with ADHD: Impairments Remain*. Upcoming poster presentation at the American Professional Society of ADHD and Related Disorders 2021 Virtual Conference.

Havewala, M., Lorenzo, N.E., Seddio, K., Oddo, L.E., Novick, D., Fox, N.A., **Chronis-Tuscano, A.** (2021, August). ADHD and Anxiety Symptoms: The Moderating Effects of Peer Support and Temperament. Poster to be presented at the American Psychological Association 2021 Annual Virtual Convention.

Marsh, N. P., Oddo, L. E., Murphy, J. G., & **Chronis-Tuscano, A.** (2022, June). *Interactive Effects of Drinking to Cope and Sleep on Negative Alcohol Use Consequences*. Poster presented at the 45th Annual Research Society on Alcoholism Scientific Meeting (RSA), Orlando, FL.

Danko, C. M., Chronis-Tuscano, A., Lui, J. H. L., Marschall, D., Gborkorquellie, T., Nash, J., Dawes, C., Coley, K., Garcia, J., Hobbs, E., Reed, R., Rodrigues, N., Efron, L., Sharma, S., Smack, A., Lauer, M., Eisenman, E., Wolf, N., Robb, A. (April, 2022). *Parents and Children With ADHD in Pediatric Primary Care: Screening Feasibility and Recruitment Effectiveness*. Poster presented at the 12th annual Research, Education and Innovation Week at Children's National Hospital, Washington, DC.

Abell, K., Mellot, M., Elliott, M., Ashkenazy, R., Tocco, E., Tandilashvili, E., Deutch, J., Novick, D.R., Danko, C.M., Marsh, N., Rubin, K.R., Chronis-Tuscano, A. (June, 2022). *A longitudinal examination of parenting differences between Turtle Program and Cool Little Kids*. Poster to be presented at the Journal of Clinical Child and Adolescent Psychology Future Directions Forum, Washington, DC.

Tandilashvili, E., Danko, C., Marsh, N., Novick, D., Rubin, K., & Chronis-Tuscano, A. (November, 2022). *Early Intervention for Behaviorally Inhibited Children at Risk for Anxiety Disorder: A Randomized Controlled Trial Examining Observed Parenting Outcomes*. Poster presented at the 56th annual Association of Behavioral and Cognitive Therapy Convention.

Oddo, L.E., Marsh, N.P., Joyner, K., Steinberg, A., Murphy, J.G., & Chronis-Tuscano, A. (2022, November). *Daily Patterns of Alcohol Use Behaviors: An Exploratory Daily Diary Study of College Student Drinkers with and without ADHD*. Poster presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

Bui, H.N., Frontale, S., Danko, C.M., Lui, J.H., Marschall, D., Gborkorquellie, T., Nash, J., Dawes, C., Coley, K., Dvorsky, M.R., Robb, A.S., Chronis-Tuscano, A., (2022, November) Screening and recruitment of parents and children with ADHD in urban pediatric primary care and related settings. Poster, Association for Behavioral and Cognitive Therapies (ABCT) ADHD SIG PreCon, New York, NY.

Shippen, N. A., Zolli, N., Lejeune, J., Schwartz, K. T. G., Massey, C. S., Chronis-Tuscano, A., & Meinzer, M. C. (2022, November). *A Qualitative Exploration into Strengthening Research-Community Partnerships During Times of Crisis*. Poster to be presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

Wagner, N. J., Shakiba, N., Bui, H.N.T., Sem, K., Novick, D. R., Danko, C. M., Chronis-Tuscano, A., & Rubin, K. H. (2022, November 9-11). *Examining the Relations between Preschool Children's Vagal Flexibility Across Social Stressor Tasks and Parent- and Clinician-Rated Anxiety*. Paper presented at the International Society for Developmental Psychobiology, San Diego, CA, United States.

Shakiba, N., Sem, K., Bui, H.N.T., Novick, D. R., Danko, C. M., Druskin, L., Dougherty, L. R., Rubin, K. H., Chronis-Tuscano, A., & Wagner, N. J. (2022, November 9-11). *Examination of moderators of treatment response in the context of early intervention for behaviorally inhibited young children*. Poster presented at the International Society for Developmental Psychobiology, San Diego, CA, United States.

Sem, K., Shakiba, N., Bui, H.N.T., Novick, D. R., Danko, C. M., Druskin, L., Chronis-Tuscano, A., Rubin, K. H., & Wagner, N. J. (2022, November 9-11). *Associations between Parent-Child Language Style Matching (LSM) And Parent Skin Conductance Response (SCR)*. Poster presented at the International Society for Developmental Psychobiology, San Diego, CA, United States.

Bui, H.N., Frontale, S., Danko, C.M., Lui, J.H., Marschall, D., Gborkorquellie, T., Nash, J., Dawes, C., Coley, K., Dvorsky, M.R., Robb, A.S., Chronis-Tuscano, A., (2022, November) Screening and recruitment of parents and children with ADHD in urban pediatric primary care and related settings. Poster, Association for Behavioral and Cognitive Therapies (ABCT) ADHD SIG PreCon, New York, NY.

Abrahamian, L., Zeytinoglu S., Chronis-Tuscano A., Fox, N., & Morales, S. (2023, March). Involvement in social physical activities in childhood reduces risk for depression and anxiety in adolescence. Poster accepted to the biannual meeting of the Society for Research in Child Development, Salt Lake City, UT.

Wagner, N. J., Shakiba, N., Sem, K., Bui, H.N.T., Novick, D. R., Danko, C. M., Chronis-Tuscano, A., & Rubin, K. H., (2023, March 23-25). *Neurophysiological correlates of parents' anxiety*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Salt Lake City, UT, United States.

Winebrake, D. A., Sem, K., Shakiba, N., Bui, H., Novick, D., Danko, C., Chronis-Tuscano, A., Rubin, K., & Wagner, N. J. (2023, March). *Using machine learning to identify linguistic markers of parents' anxiety using baseline data from an early intervention for inhibited preschoolers*. Poster presented at the biennial meeting for the Society for Research in Child Development (SRCD). Salt Lake City, Utah.

Claybaugh, A., Elliott, M., Mellott, M., Tandilashvili, E., Marsh, N., Bui, H., Danko, C., Rubin, K., Chronis-Tuscano, A. (Accepted). *Compliance and noncompliance in young children with behavioral inhibition: A randomized controlled trial of two early interventions*. Poster presentation to be presented at the annual conference for the Anxiety and Depression Association of America.

Heath, D. M., Coley, K. M., Danko, C. M., Whitlock, K. B., Marschall, D. E., Efron, L. A., Claybaugh, A. C., Frontale, S. R., Hartman, E. N., Gborkorquellie, T., Dawes, C., Nash, J., Smack, A., Rowland, C., Eisenman, E., Lauer, M., Rodrigues, N., Wolf, N., Sobhan-Mosley, S., Robb, A. S., Stein, M. A., Chronis-Tuscano, A. (2023, April 19). BPT Engagement Outcomes for Caregivers with ADHD across Two Treatment Groups [Poster presentation]. Children's National Research Institute's 13th Annual Research, Education, & Innovation Week, Washington, DC, United States.

Sem, K., Shakiba, N., Bui, H., Novick, D., Danko, C., Chronis-Tuscano, A., Rubin, K., & Wagner, N. J. Examining Links Between Parent-Child Language Style Matching (LSM) and Observed Social Behaviors Using Pre-treatment Data From an Early Intervention for Inhibited Preschoolers. Flash talk paper in session: Mindful Parenting as a Longitudinal Predictor of Early Childhood Social-Emotional, Behavioral, and Cognitive Development; (E. Hernandez, Moderator). To be presented at the biennial meeting for the Society for Research in Child Development (SRCD). Salt Lake City, Utah, March 2023.

Fleece, H.; Wagner, N.; Smith, K.; Shakiba, N. Andrea Chronis-Tuscano.; Danielle Novick, D.; Lindsay Druskin, L.; Christina Danko, C.; & Rubin, K. Can Behaviorally Inhibited Preschoolers Make Friends? Poster to be presented at the biennial meeting for the Society for Research in Child Development (SRCD). Salt Lake City, Utah, March 2023.

Wagner, N.J., Shakiba, N., Bui, H., Novick, D., Sem, K., Danko, C., Rubin, K., & Chronis-Tuscano, A. (2023, June). *Neurophysiological correlates of parents' anxiety*. Poster Presentation at the biennial meeting for the International Society for Research in Child and Adolescent Psychopathology (ISRCAP). London, England.

Marsh, N. P., Oddo, L.E., Wiggs, K., Murphy, J.G., & Chronis-Tuscano, A. (2023, June). *Variability in Sleep Patterns for College Student Drinkers with and without*

ADHD. Poster presented at the 20th Biennial Scientific Meeting of the International Society for Research in Child and Adolescent Psychopathology (ISRCAP), London, U.K.

Taubin, D., Oddo, L.E., Bui, H.N.T., Murphy, J.G., & Chronis-Tuscano, A. (2023, June). *Coping motives mediate the relationship between ADHD and frequency of cannabis use in a sample of heavy-drinking college students*. Poster presented at the 20th Biennial Scientific Meeting of the International Society for Research in Child and Adolescent Psychopathology (ISRCAP), London, U.K.

Heath, D. M., Whitlock, K. B., Danko, C. M., Coley, K. M., Marschall, D. E., Efron, L. A., Robb, A. S., Ola, C., Schoenfelder Gonzalez, E., Chronis-Tuscano, A. (2023, June 21-24). BPT Engagement Outcomes for Caregivers with ADHD across Two Treatment Groups [Poster presentation]. International Society for Research in Child and Adolescent Psychopathology, London, England

Zolli, N., Lejeune, J., Meinzer, M., Murphy, J.G., Vasko, J.M., Oddo, L.E. & Chronis-Tuscano, A. (2022, November 17-20). Alcohol Use Motivations of College Students with Attention Deficit/Hyperactivity Disorder (ADHD): A Qualitative Analysis [Poster Presentation]. Association for Behavioral and Cognitive Therapies, New York City, New York, USA.

Abrahamian, L., Zeytinoglu S., Chronis-Tuscano A., Fox, N., & Morales, S. (2023, March). Involvement in social physical activities in childhood reduces risk for depression and anxiety in adolescence. Poster accepted to the biannual meeting of the Society for Research in Child Development, Salt Lake City, UT.

Dvorsky, M. R., Steinberg, A.*, Streisand, R., Chronis-Tuscano, A., & Piffner, L. J. (2023, May 17-21). Preliminary Efficacy of Advanced Tools for Organization Management (ATOM): A Digital Tool to Promote Adolescents' Engagement and Skills Utilization in Psychosocial Treatment for ADHD [Poster presentation]. 9th World Congress on ADHD Amsterdam, Netherlands.

Panels

x. Refereed Panels

Chronis, A. M. (2004, November). *Intergenerational comorbidity and its impact on parent training outcomes*. **A. M. Chronis** & D. Reitman (Co-Chairs). Panelists: A. M. Albano, T. Cavell, **A. M. Chronis**, D. Reitman, R. McMahon, & P. Strand. Panel discussion at the meeting of the Association for the Advancement of Behavior Therapy: New Orleans, LA.

Chronis, A. M., Coyne, L. W., Greco, L. A., & Wahler, R. (2006, November). *Experiential avoidance and mindfulness in parenting*. (Chairs: D. M. Cheron, & J. T. Ehrenreich). Panel presentation at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, IL.

Beck, J. G., **Chronis-Tuscano, A.**, & Youngstrom, E. A., (2012, August). *Enhancing graduate training in evidence-based practice in clinical psychology*. Panel discussion at the meeting of the American Psychological Association, Orlando, FL.

Beck, J. G., Castonguay, L., **Chronis-Tuscano, A.**, Klonsky, E. D., McGinn, L., & Youngstrom, E. (2012, November). *Giving students a fish versus teaching students to fish: Evidence-based*

training principles and practical guidelines. Div 12 (APA) Presidential Task Force on Graduate Education Panel Discussion, National Harbor, MD.

Nezu, A., Lee, R.M., Borsari, B., Chung, T.A., Miller, M. Castillo, L.G., **Chronis-Tuscano, A.**, Krauss Whitborne, S. (2018, August) In Zamboanga, B.L. & Perrotte, J.K. (Chairs). Maintaining a competitive edge through publication success: strategies for new investigators. American Psychological Annual Convention. San Francisco, CA.

Herr, N., Rosenthal, Z, Sauer-Zavala, S., Baucaum, B., & **Chronis-Tuscano, A.** (2018, November). In N. Herr (Chair). Strategies for Implementing Innovative Research Designs and Methodologies. Association for Behavioral and Cognitive Therapies. Washington, DC.

Stern, H.G., Badin, E., **Chronis-Tuscano, A.**, Chu, B., Hildebrandt, T., McNeil, C., & Puliafico, A. (2019). *Improving the Impact of Evidence-Based Treatments For Youth: What the Manuals Don't Tell You About Navigating Caregiver Challenges*. Panel presented at the 2019 Annual Conference of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.

Meinzer, M.C. (Chair), **Chronis-Tuscano, A.** (Moderator), Bagner, D., Lui, J., *Oddo, L.E.*, Sibley, M. & Gallagher, R. (2020). Overcoming Challenges related to Treatments for Children, Adolescents, Adults, and Parents with ADHD via Telehealth: Conducting Intervention Research and Clinical Services during COVID-19. Panel presented at the 2020 Annual Conference of the Association for Behavioral and Cognitive Therapies ADHD Preconference Meeting, Virtual.

Chronis-Tuscano, A. & Mikami, A.Y. (2020). Parenting and ADHD. Table Topics panel at the 2020 Annual Conference of the Association for Behavioral and Cognitive Therapies ADHD Preconference Meeting, Virtual.

Lui, J. H. L., Gborkorquellie, T., Danko, C. M., Bennett, I. M., Marschall, D., Stein, M. A., & **Chronis-Tuscano, A.**, (Oct, 2021). *Multiplex ADHD families in pediatric primary care: Considerations for screening African American parents and children*. Panel presented at the 2021 Collaborative Family Healthcare Association Conference.

xi. Other

5. Invited Colloquia and Research Presentations

1999 – 2001	Inservice Training, Area Schools and PTA Groups, Buffalo, NY Topic: Diagnosis and Treatment of ADHD in School Settings
2001 – Present	Inservice Training, Numerous Washington, DC/Southern Maryland/Northern Virginia Area Schools, Pediatrics Groups, Community Centers, PTA Groups, and Children & Adults with Attention Deficit Disorders (CHADD) Groups Topic: Evidence-Based Assessment and Treatment of ADHD
2003	Seminar Series Speaker, Center for Children, Relationships & Culture, Department of Human Development, University of Maryland Topic: Parental Psychopathology & the Treatment of ADHD
2004	Grand Rounds, Child & Adolescent Psychiatry/Pediatrics, Children's National Medical Center, Washington, DC

- Topic: Parental Psychopathology & the Treatment of ADHD
- 2004 Outreach to African American Families Workshop, National Resource Center for ADHD, Landover, MD. (presented with *H.A. Jones*)
Topic: Assessment & Treatment of ADHD in African American Children
- 2006, 2008, & 2010 Faculty Development Workshop, University Counseling Center, University of Maryland
Topic: Assessment & Treatment of ADHD in College Students
- 2006 Seminar Series, Child & Adolescent Psychiatry, University of Maryland Medical School, Baltimore, MD
Topic: Parental Psychopathology & the Treatment of ADHD
- 2007 Clinical Psychology Speaker Series, American University, Washington, DC
Topic: Parental Psychopathology & the Treatment of ADHD
- 2007 Speaker Series, Hearing & Speech Sciences, University of Maryland
Topic: Parental Psychopathology & the Treatment of ADHD
- 2008 Clinical Psychology Colloquium Series, Boston University
Topic: Parental Psychology: Impact on Developmental & Treatment Outcomes for Children with ADHD
- 2008 Half-Day Workshop, Maryland Psychological Association
Topic: Behavioral Parent Training for Children with ADHD & Disruptive Behavior Disorders
- 2009 Continuing Education for School Social Workers, Baltimore Public Schools
Topic: An Evidence-Based Toolbox for Addressing Child & Adolescent Mental Health Problems in the School Setting
- 2009 Spring Training Workshop, Howard University
Topic: Behavioral Family Interventions for Children with ADHD
- 2009 Educational Speaker Tour, Province of Quebec (Sponsored by Janssen-Ortho)
Topic: Parental Psychopathology: Impact on Developmental & Treatment Outcomes for Children with ADHD
- 2010 Educational Speaker Tour, Province of Ontario (Sponsored by Janssen-Ortho)
Topic: Parental Psychopathology: Impact on Developmental & Treatment Outcomes for Children with ADHD
- 2010 Children & Adults with Attention Deficit Disorders (CHADD) “Ask the Expert” Online Chat
Topic: Emotional Stressors of Parenting a Child with AD/HD
- 2010 Half-Day Workshop, Center for Young Children, University of

Maryland

Topic: Managing Disruptive Behavior in the Classroom by
Modifying Antecedents & Consequences

- 2011 Colloquium, Pennsylvania State University Child Study Center
Topic: Parental Psychopathology: Impact on Developmental &
Treatment Outcomes for Children with ADHD
- 2011 Colloquium, Northwestern University
Topic: Parental Psychopathology: Impact on Developmental &
Treatment Outcomes for Children with ADHD
- 2011 Food & Drug Administration (FDA), Food Advisory Committee Hearing
on Certified Color Additives & Hyperactivity in Children
Topic: Introductory Overview of ADHD
- 2011 Grand Rounds, Child & Adolescent Psychiatry, Johns Hopkins
University School of Medicine, Division of Child & Adolescent
Psychiatry
- 2011 Second Annual NE Regional Parent-Child Interaction Therapy
Conference, Child Mind Institute, New York, NY
Topic: Adapting PCIT for Preschoolers with High Behavioral
Inhibition
- 2011 The American Professional Society of ADHD and Related Disorders
(APSARD) Conference, Philadelphia, PA
Topic: Adult ADHD and Family Life
- 2012 The Spectrum of Developmental Disabilities XXXIV “ADHD: Too Broad?
Too Narrow?”, Johns Hopkins University School of Medicine
Topic: Parenting Children with ADHD
- 2012 NIH National Human Genome Research Institute, Social and Behavioral
Research Branch
Topic: Parental Psychopathology & Parenting: Impact on Developmental
& Treatment Outcomes for Children with ADHD
- 2013 Seminar Series Speaker, Center for Children, Relationships & Culture,
Department of Human Development, University of Maryland
Topic: Diverse Developmental Trajectories for Children with ADHD:
What can parenting and parental psychopathology tell us?
- 2013 Grand Rounds, British Columbia Children’s Hospital
Topic: Parental Psychopathology & Parenting: Impact on
Developmental & Treatment Outcomes for Children with ADHD
- 2013 Clinical Workshop, British Columbia Children’s Hospital
Topic: Behavioral Approaches to the Treatment of ADHD Across
Contexts

- 2013 Clinical Brown Bag, University of Delaware Clinical Science Program
Topic: Parental Psychopathology & Parenting: Impact on Developmental & Treatment Outcomes for Children with ADHD
- 2014 Psychiatry Grand Rounds, University of Washington, Seattle Children's Hospital
Topic: Parental Psychopathology & Parenting: Impact on Developmental & Treatment Outcomes for Children with ADHD
- 2015 Grand Rounds, The Child Study Center at NYU Langone Medical Center
Topic: Parental Psychopathology & Parenting: Impact on Developmental & Treatment Outcomes for Children with ADHD
- 2015 Colloquium, Carolina Consortium on Human Development, University of North Carolina, Chapel Hill
Topic: Parental Psychopathology & Parenting: Impact on Developmental & Treatment Outcomes for Children with ADHD
- 2016 Grand Rounds, Johns Hopkins University Division of Child & Adolescent Psychiatry
Topic: Parental Psychopathology & Parenting: Impact on Developmental & Treatment Outcomes for Children with ADHD
- 2016 Professional Development Seminar, Children's National Medical Center
Topic: Life in Academia
- 2016 Kansas Conference in Clinical Child & Adolescent Psychology
Topic: Parental Psychopathology & Parenting: Impact on Developmental & Treatment Outcomes for Children with ADHD
- 2017 American Academy of Child & Adolescent Psychiatry, Washington DC/Maryland, Northern Virginia Chapter
Topic: The Critical Role of Parents in the Outcome and Treatment of ADHD
- 2018 Florida International University, Center for Children & Families
Topic: Translating Developmental Psychopathology Findings into Novel Treatments for Individuals with ADHD Across the Lifespan
- 2018 Ben Gurion University, Beer Sheva, Israel
Topic: Transactional Model of ADHD in Families: Implications for Developmental and Treatment Outcomes
- 2018 NIMH CHIPS (Child Intervention, Prevention, and Services) Research Training Institute
Topic: My Career Path as an NIMH Interventions Researcher
- 2019 Georgetown University
Division of Child & Adolescent Psychiatry

Topic: Translating Developmental Psychopathology Findings to Novel Interventions for Individuals with ADHD (and other at-risk populations) Across the Lifespan

- 2019 UCLA Department of Psychology
Topic: Transactional Model of ADHD in Families: Implications for Developmental & Treatment Outcomes
- 2019 Children's National Medical Center
Division of Child & Adolescent Psychiatry
Topic: Transactional Model of ADHD in Families: Implications for Developmental & Treatment Outcomes
- 2020 University of Illinois at Chicago
Institute for Juvenile Research
Topic: Transactional Model of ADHD in Families: Implications for Developmental & Treatment Outcomes
- 2022 University of California, San Francisco
Department of Psychiatry
Topic: ADHD across the Lifespan: Identifying & Intervening on Mechanisms of Risk
- 2022 Lurie Children's Hospital
Northwestern University Feinberg School of Medicine
Department of Psychiatry
Topic: ADHD across the Lifespan: Identifying & Intervening on Mechanisms of Risk
- 2023 University of Maryland Baltimore
School of Medicine
Department of Pediatrics
Topic: Parent ADHD: Implications for the Treatment of ADHD in Pediatrics

g. Completed Creative Works

None

h. Sponsored Research

i. Grants

Principal Investigator

1. "Comprehensive Assessment of ADHD in Low-Income, Minority Children"

Principal Investigator: Andrea M. Chronis, Ph.D.

Agency: University of Maryland

Type: Graduate Research Board Summer Award

Period: 6/1/03-9/1/03

Total Costs: \$8,500

Summary: The project involved the comprehensive, family-based assessment of low income children with and without ADHD recruited from schools in Prince George's County.

2. "Parental ADHD & Parenting: Child Treatment Implications"

Principal Investigator: Andrea M. Chronis, Ph.D.

Agency: National Institute of Mental Health

Type and Number: RO3 MH070666-1

Period: 4/1/04-9/30/05

Total Costs: \$72,201

Summary: The aims of this study were: (1) to examine associations between maternal ADHD symptoms and self-reported and observed parenting behavior in 70 mothers of children with ADHD; and (2) to examine compliance with and participation in past and current treatment for child ADHD as a function of maternal ADHD symptoms.

3. "Efficacy of Concerta™ in Treating ADHD in Mothers of Children with ADHD"

Principal Investigator: Andrea M. Chronis, Ph.D.

Agency: McNeil Corporation

Type: Investigator-Initiated Trial

Period: 1/1/04-1/31/08 (No cost extension)

Total Costs: \$106,111

Summary: This study involved a dose-response trial of Concerta(TM) methylphenidate for 25 mothers of children with ADHD who have ADHD themselves. The aim of this study was to assess the efficacy of Concerta(TM) in treating mothers with ADHD across measures of ADHD symptoms, impairment, and parenting.

4. "Integrated Treatment for Depressed Mothers of ADHD Children"

Principal Investigator: Andrea M. Chronis, Ph.D.

Agency: National Institute of Mental Health

Type and Number: R34 MH073567-01A1

Period: 3/15/06-12/31/08 (no cost extension until 10/31/2010)

Total Costs: \$646,102

Summary: The goals of this project were to develop and evaluate a novel, integrated approach to behavioral parent training for mothers of children with ADHD with elevated depressive symptoms in order to facilitate successful developmental and treatment outcomes for children with ADHD.

4a. Summer 2009 ARRA Supplement: Recovery Act Funding for Administrative Supplements Providing Summer Research Experiences for Students & Science Educators (NOT-OD-09-060)

Principal Investigator: Andrea Chronis-Tuscano, Ph.D.

Period: 6/1/09-10/31/10 (no cost extension)

Total Costs: \$23,259

5. "Understanding Fathers of Children with ADHD"

Principal Investigator: Andrea Chronis-Tuscano, Ph.D. (Student Investigator: Abigail Mintz)

Agency: University of Maryland

Type: Graduate Research Board Semester Research Award

Period: Fall 2008 Semester

Total Costs: \$3,500

Summary: The project involved gathering data on the psychological functioning of fathers of children participating in our NIMH-funded study of depressed mothers.

6. “A Multi-Method Early Intervention Program for Inhibited and Anxious Preschoolers”
Principal Investigators: Andrea Chronis-Tuscano, Ph.D. & Ken Rubin, Ph.D., University of Maryland

Agency: National Institute of Mental Health

Type and Number: R34 MH083832-01A1

Project Period: 3 years (02/01/2010-11/30/2012)—No-Cost Extension until 11/30/2013

Total Costs: \$641,580

Summary: This project aims to develop, refine, and test a developmentally-grounded, multi-component early intervention program for inhibited/anxious preschoolers and their parents.

7. “Sequencing Treatments for Mothers with ADHD & Their At-Risk Children: A SMART Pilot”

PIs: Andrea Chronis-Tuscano, Ph.D. & Mark Stein, Ph.D., Seattle Children’s Hospital

Agency: National Institute of Mental Health

Type and Number: R34MH099208-01

Project Period: 3 years (07/01/2013-06/30/2016) – no cost extension until 06/30/2017

Total Costs: \$712,990

Summary: This study aims to demonstrate feasibility, develop recruitment, assessment and treatment protocols and test the concept of treating mothers first using either stimulant medication or behavioral parent training, and then adapting treatment based on response in preparation for a SMART R01.

8. “Neural and Genetic Correlates of Parenting in Mothers of Children with Attention-Deficit/Hyperactivity Disorder”

Principal Investigator: Andrea Chronis-Tuscano, Ph.D.

Agency & Type: 2013 BSOS Dean’s MRI Research Initiative

Total Costs: \$39,600

Summary: The broad aim of the proposed project is to investigate neural mechanisms underlying maternal parenting in families of children with ADHD.

9. Role: PI (Co-PI: Kenneth Rubin, Ph.D., University of Maryland)

Title: Multi-Component Early Intervention for Socially Inhibited Preschool Children

Agency: National Institute of Mental Health

Type and Number: 1R01MH103253-01

Project Period: 5 years (12/25/2014 - 10/31/2020) – No-Cost Extension until 10/31/22

Total Costs: \$3,168,316

Summary: This project aims to conduct a full-scale randomized control trial to compare the “Turtle Program” (combined adapted Parent Child Interaction Therapy and Social Skills Facilitated Play) to a non-therapeutic playgroup.

10. “Behavioral Activation to Reduce Problem Drinking in College Students with ADHD”

Principal Investigator: Andrea Chronis-Tuscano, Ph.D.

Agency: National Institute of Alcohol Abuse & Alcoholism

Type and Number: 1 R34 AA022133-A1

Project Period: 10/01/2015-09/30/2019 (no-cost extension)

Total Costs: \$640,454

Summary: This project aims to develop, refine, and test an adaptation of Behavioral Activation for college students with ADHD, with the goal of reducing problematic drinking within the college context.

10a. "Behavioral Activation to Reduce Problem Drinking in College Students with ADHD (Neuroimaging Supplement)"

Principal Investigator: Andrea Chronis-Tuscano, Ph.D.

(Co-Is: Karen Seymour and Keri Rosch, Johns Hopkins, Kennedy Krieger Institute)

Project Period: 1 year (08/01/2017-07/31/2018)

Total Costs: \$194,461

Summary: The goal of the supplement is to examine reward responsiveness as a putative mechanism of change, measured via computerized behavioral tasks and neuroimaging, during the course of the intervention.

11. "School-Based Depression Prevention for Adolescents with ADHD"

Principal Investigators: Michael C. Meinzer, Ph.D. & Andrea Chronis-Tuscano, Ph.D.

Agency: National Institute of Mental Health

Type and Number: 1 R34 MH117086-01 , plus suicide supplement

Project Period: 08/07/2018 - 06/30/2022.

Total Costs: \$673,079

Summary: The project aims to develop and test a depression preventive intervention modified for adolescents with ADHD delivered by school mental health professionals.

12. "Treating Mothers with ADHD and their Young Children Via Telehealth: A Hybrid Type I Effectiveness-Implementation Trial 2/2"

Principal Investigator: Andrea Chronis-Tuscano, Ph.D.

Agency: National Institute of Mental Health

Type and number: R01MH118320 Collaborative R01, plus diversity supplement

Project Period: 5 years (08/15/2019 - 07/31/2024)

Total Costs: \$3,128,344

Summary: This hybrid implementation study will evaluate two innovative and scalable treatment strategies delivered via telehealth: maternal stimulant medication plus behavioral parent training vs. behavioral parent training only. This project holds promise for modifying the course of ADHD in young children whose mothers also have ADHD in a manner that reduces barriers to health service delivery and holds potential for widespread dissemination.

13. "Broadening Participation Initiative - Engaging Neurodiverse and BIPOC Communities in Neurodiversity Research at UMD"

Principle Investigators: Elizabeth Redcay & Andrea Chronis-Tuscano

Funding Source: UMD Department of Psychology

Project period: 7/1/2021-6/30/2023

Total Costs: \$30,000

Summary: The goal of this project is to identify needs and priorities of autistic individuals and stakeholders within the local Prince George's community surrounding UMD. A particular emphasis is on hearing voices of autistic communities of color, who are underrepresented in autism research and services.

Co-Investigator

1. "Behavioral Technologies for Predicting HIV Risk"

Principal Investigator: Carl W. Lejuez, Ph.D., University of Maryland

Agency: National Institute of Drug Abuse

Type and Number: R01 DA018647

Period: 07/01/05 - 06/30/10

Total Costs = \$1,800,000

Summary: The proposed project examined the utility of a behavioral assessment tool in predicting the longitudinal development of HIV-risk taking behavior among inner city adolescents.

2. "Distress Tolerance and Adolescent Substance Use"

Principal Investigator: Stacey B. Daughters, Ph.D., University of Maryland

Agency: National Institute on Drug Abuse

Type and Number: R21 DA022741

Period: 9/1/07-8/30/09

Total Costs = \$412,500

Summary: This project aimed to examine the relationship between distress tolerance and adolescent substance use.

3. "The Effects of Early Temperament on Social Behavior in Adolescence"

Principal Investigator: Nathan Fox, Ph.D., University of Maryland

Agency: National Institute of Mental Health

Type and Number: Recovery Supplement U01MH074454

Project Period: 2 years (7/1/2009-8/31/2011)

No-cost extension 9/1/2011-8/31/2012

Total Costs: \$1,332,390 (\$481,170 in Psychology)

Summary: The goal of this project was to examine how the trajectories of childhood temperament predict the behavioral and neural correlates of attention bias to threat and incentive for reward in young adults with a history of behavioral inhibition and how these processes moderate the association between temperament and anxiety disorders and substance use. Results will inform prevention and intervention of anxiety and substance use.

4. "Parenting in Adults with ADHD"

Principal Investigator: Charlotte Johnston, Ph.D., University of British Columbia

Agency: Canadian Institutes of Health Research (CIHR)

Type: Operating grant

Project Period: 10/1/2010 - 9/30/2015

Total Costs: \$341,246.00

Summary: This project examines parenting in mothers and fathers with ADHD whose children also have ADHD, and aims to develop a parenting intervention specific to this population.

5. "Employment and maternal depression: Understanding the role of work in psychological health among mothers of children with ADHD"

Principal Investigator: Karen O'Brien, Ph.D., University of Maryland

Agency: University of Maryland

Type: Graduate Research Board Semester Research Award

Period: Summer 2011

Total Costs: \$9000

Summary: The main purpose of this study is to investigate the degree to which worksalience, flexibility in the workplace, family supportive organization perceptions, and maternal income will moderate the relationship between parenting stressors and maternal depression. This

line of research could lead to the development of models to alleviate the negative behavioral and psychological child outcomes associated with maternal depression through focused interventions that enable mothers to remain employed. Assisting mothers to remain employed would provide families with needed financial resources to reduce poverty and enable access to treatment to enhance child functioning.

6. “Cortisol Awakening Response and Risk for Depression”

Principal Investigator: Lea R. Dougherty, Ph.D., University of Maryland

Agency: University of Maryland

Type: College of Behavioral and Social Sciences Dean’s Research Initiative

Period: 1 Year (May 2011-May 2012)

Total Costs: \$40,000

Summary: The goal of this project was to investigate the cortisol awakening response (CAR) as an early emerging vulnerability marker for depression risk.

7. “Trajectories of Behavioral Inhibition and Risk for Anxiety”

Principal Investigator: Nathan Fox, Ph.D., University of Maryland

Agency: National Institute of Mental Health

Type/Number: U01MH093349

Period: 06/07/2011-07/31/2021

Total Costs: \$3,115,524

Summary: The goal of this study is to follow in a prospective longitudinal approach children with the temperament of Behavioral Inhibition. Currently children are 15 years of age. We will observe their social competence with familiar and unfamiliar peers and assess their attention bias to threat, as well as cognitive self-monitoring, in order to gain a detailed understanding of the social and cognitive mechanisms that influence the pathways from temperament to adaptive or maladaptive outcomes in middle adolescence.

8. “Working Memory Training in ADHD Children: Exploration of Individual Differences”

Principal Investigator: Priti Shah, Ph.D., University of Michigan

Agency: Institute for Educational Sciences (IES)

Type and Number: R324A130034

Proposed Project period: 9/1/2013 - 8/31/2017

Proposed Total Costs: \$1,599,836

Summary: The proposed project examines the efficacy of working memory training for children with ADHD and explores moderators of training effects.

9. Reducing Maternal Delay Discounting as a Target Mechanism to Decrease Harsh Parenting and Improve Child Mental Health Outcomes in a Traditionally Underserved Community

PI: Julia Felton, Henry Ford Health Center

NIH/National Institute of Mental Health

08/16/2021 – 07/15/2024

Total costs = \$713,946

The aim of this grant is to reduce child mental health concerns (including broad internalizing and externalizing factors) by examining whether a brief intervention can increase uptake of behavioral parenting techniques when delivered in a low-resource community setting.

10. Improving Delay Discounting to Decrease Harsh Parenting among Parents Receiving Substance Use Treatment in a Low Resource Community

PI: Julia Felton, Henry Ford Health Center

NIH/National Institute on Drug Abuse

07/15/2021 – 05/15/2024

Total costs = \$651,298

The aim of this grant is to determine the role of choice impulsivity on parenting behaviors among parents in an inpatient substance use facility and to evaluate whether changes in impulsivity improves both behavioral and clinical (substance use) outcomes.

11. Examining Neurophysiological Predictors of Treatment Response to a Multi-Component Early Intervention for Socially Inhibited Preschoolers.

PI: Nicholas J. Wagner, Boston University

Agency: NIH/NIMH

Project Type and Number: R03 MH123762

Project/Proposal Start and End Date: 04/2021-03/2023

Total Award Amount (including Indirect Costs): \$176,468

Summary: The primary goal of this study is to integrate across multiple levels of measurement to examine whether arousal and cognitive functioning are potential mechanisms driving reductions in intrusive-controlling parenting and children's behavioral inhibition across two evidenced based intervention programs.

Primary Mentor on Funded Student Grants

1. "Associations between ADHD/DBD and Parenting in Latino Families"

Principal Investigator: Yamalis Diaz, M.A., University of Maryland

Agency: National Institute of Child Health & Development

Type and Number: F31 HD051094-01 (Minority Individual National Research Service Award)

Period: 08/01/05 - 08/01/07

Total Costs = \$61,876

Summary: The primary aim of this project was to investigate the relationship between parenting styles and child attentional/behavioral difficulties within Latino families with the ultimate goal of developing culturally-sensitive parent training programs for Latino families.

2. "Behavioral Homework Intervention for Middle School Students with ADHD"

Principal Investigator: Veronica L. Raggi, M.A., University of Maryland

Agency: American Psychological Association (APA), Society of Clinical Child & Adolescent Psychology

Type: Dissertation Award

Period: 10/1/05-8/1/07

Total Costs: \$2,500

Summary: The aim of this project was to develop and test a brief behavioral homework intervention for middle school students with ADHD.

3. "Risky Behavior in College Students with ADHD"

Principal Investigator: Mary E. Rooney, M.A., University of Maryland)

Agency: National Institute on Drug Abuse

Type and Number: F31 DA024946-01 (Individual National Research Service Award)

Total Project Period: 2 Years (8/1/08 - 8/01/10)

Total Costs = \$120,000

Summary: The primary aim of this project was to the extent to which college students with ADHD engage in risky behavior (including alcohol use, substance use, and risky sexual

behavior) compared to college students without ADHD.

4. "Cortisol Reactivity and Observed Parenting Among Mothers of Children with ADHD"

Principal Investigator: Sharon R. Thomas, University of Maryland

Agency: National Institute on Child Health & Development (NICHD)

Type: Individual Minority National Research Service Award

Total Project Period: 4/1/2013-3/31/2016

Total Costs = \$128,451

Summary: This study seeks to extend the existing literature by providing an empirical examination of the relationship between individual differences in maternal cortisol reactivity following a stressful task and observed parenting behavior in mothers of children with ADHD.

5. "Executive Functioning and Parenting in Mothers of Children with and without ADHD"

Principal Investigator: Heather Mazursky-Horowitz, University of Maryland

Agency: National Institute on Child Health & Development (NICHD)

Type: Individual National Research Service Award

Total Project Period: 8/9/2015-8/9/2018

Total Costs = \$129,360

Summary: This study seeks to extend the existing literature by providing an empirical examination of the independent and interactive contributions of maternal executive functioning and child ADHD in predicting observed maternal scaffolding among mothers of children with and without ADHD.

6. "Parenting and the Development of Emotional Face Identification Skills in Preschoolers"

Fellow: Kelsey E. Woods, University of Maryland

Agency: National Science Foundation

Type: Graduate Research Fellowship

Total Award Period: 9/1/15-9/1/18

Total Award: \$138,000

Summary: The proposed study seeks to extend the literature supporting the importance of maternal emotion coaching and socialization on children's emotional development by using a multimodal approach to examine associations between maternal parental meta-emotion philosophy, observed emotion coaching, and child performance on an emotional face identification task.

7. "Parental Monitoring and Adolescent Risk Behaviors: The Role of Mobile Text Messaging"

Fellow: Christine H. Wang, University of Maryland

Agency: National Science Foundation (NSF)

Type: Graduate Research Fellowship Program (GRFP)

Award Period: 06/2015-06/2018

Total Costs: \$138,000

Summary: This research proposal extends the existing literature by examining the relation between parental monitoring and adolescent risk behaviors when monitoring is conducted via face-to-face or mobile text messaging.

8. "Maternal Hostile Attributions and the Development of Emotion Regulation in Preschoolers"

Fellow: Danielle R. Novick, University of Maryland

Agency: National Science Foundation

Type: Graduate Research Fellowship Program

Total Award Period: 6/2018-6/2021

Total Award: \$138,000

Summary: The proposed study extends the extant literature supporting the importance of maternal attributions and emotion socialization on the development of children's emotion regulation by using a multimodal approach to examine the relationships between maternal hostile attributions, observed maternal emotion dismissing, and physiological as well as parent report measurements of child emotion regulation.

9. "A Behavioral Economics Approach to Understanding the Association between ADHD and Alcohol Problems in College"

Principal Investigator: Lauren Oddo

Agency: National Institute of Alcoholism and Alcohol Abuse

F31AA027937 (Impact Score = 13)

Project Period: 9/01/2019 – 05/01/2022

Summary: This study seeks to integrate foundational components of behavioral economics models of addiction and modified ecological momentary assessment methodology, with the goal to elucidate predictors and moderators of alcohol problems among college students with and without ADHD.

10. "Leveraging Technology to Promote Skill Utilization and Enhance Treatment Outcomes in Young Adolescents with ADHD"

Principal Investigator: Melissa Dvorsky, PhD

Agency: National Institute of Mental Health

K23MH122839

Project Period: 11/15/2020 – 11/14/2024

Total Costs: \$796,392

Summary: This study leverages novel mobile technology, applied as an adjunct to a school-based organizational/time management skills intervention, to enhance real time skills utilization, improve intervention response, and promote sustained improvement for adolescents with ADHD.

11. "Mother-Child Dynamics in the Transmission of Social Anxiety: The Roles of Maternal Verbal Communication and Child Attention"

Principal Investigator: Selin Zeytinoglu, PhD

Agency: National Institute of Mental Health

F32MH127869

Project Period: 2/9/22-

Total Costs: \$73,762 per year

Project Advisor

1. "Bridging Gaps with Virtual Mentoring"

Principal Investigator: Scott Roberts, Ph.D., University of Maryland

Agency & Type: University of Maryland Office of Diversity & Inclusion (ODI) "Moving Maryland Forward" Grant

Period: July 2013-May 2014

Total Costs = \$15,000

Summary: The goal is to produce a series of online video modules that provide current and prospective minority students with virtual mentoring on success at the undergraduate level. Some modules will focus specifically on psychology while others on more general aspects of academics, professional development and preparation for graduate study.

Consultant

1. “Adult Follow-up of Girls with ADHD and Neurally-Based Sex Differences”

Principal Investigator: Stephen Hinshaw, Ph.D., University of California, Berkeley

Agency: National Institute of Mental Health

Type and Number: RO1 MH45064

Proposed Project Period: 5/1/13 – 4/30/18

Total Costs: \$2,300,000

Summary: We aim to investigate neutrally-based sex differences among a sample of young-adult females from a longitudinal study of females with ADHD.

2. “An Investigation of a Parent/Child Psycho-Social Computerized Intervention Targeting the Error-Related Negativity in Young Children”

Principal Investigator: Alexandria Meyer

Agency: NIMH

Type and number: KO1 1KO1MH117366-01A1

Project Period: 04/01/2019 – 03/31/2024

Total award: \$450,225

i. Work in Progress

3. **Teaching, Mentoring and Advising.**

a. Courses Taught

Undergraduate

PSYC 330 (formerly PSYC 309B) Abnormal Child Psychology

Semesters Taught: Fall 2010, Fall 2011, Fall 2012, Fall 2013, Fall 2014, Fall 2015, Fall 2016, Fall 2017, Fall 2018, Fall 2019, Fall 2020 (virtual), Fall 2021, Fall 2022

Enrollment: 80-120 students/semester

Graduate

PSYC 623 Child Psychopathology

Semesters Taught: Fall 2002, 2003, 2004

Enrollment: 5-15 clinical psychology graduate students/semester

PSYC 632 Behavioral & Cognitive-Behavioral Interventions for Children & Adolescents

Semesters Taught: Fall 2007, Spring 2010, Spring 2012, Spring 2014, Spring 2018, Spring 2020 (hybrid), Spring 2022

Enrollment: 5-15 clinical psychology graduate students/semester

PSYC 629 Clinical Supervision/Laboratory: Child/Adolescent

Semesters Taught: Spring 2007, Spring 2008, Spring 2009, Spring 2013, Spring 2015

Enrollment: 2-5 clinical psychology graduate students/semester

b. Course or Curriculum Development

I developed the two core courses in child and adolescent psychopathology and interventions for our doctoral program in clinical psychology (PSYC 623; PSYC 632) and a parallel undergraduate course in abnormal child psychology (PSYC 330; formerly PSYC 309B). I also developed the Maryland ADHD Program, which is the primary clinical child/adolescent training site for our doctoral program. Recently, with Dr. Michael Meinzer, I co-developed and co-direct the SUCCEEDS College ADHD Clinic at UMD: <https://www.umdadhd.org/succeeds/>, which is another clinical training site for masters and doctoral students.

c. Teaching Innovations

None

d. Advising: Research Direction

i. Undergraduate

2003, 2004, 2013 Mentor, Summer Research Initiative for Underrepresented Minority Undergraduate Students, University of Maryland

2003 – 2004, 2009 – 2010 Mentor, McNair Foundation for Underrepresented Undergraduate Students, University of Maryland

2006 – 2007 Mentor, Maryland Student Researchers Program, University of Maryland

2012 – 2015 Content Expert/Co-Mentor, Team Virtual, University of Maryland Gemstone Project, “Behavioral Parent Training and Virtual Reality”

2016 Mentor, Maryland Summer Scholars Program, University of Maryland

Undergraduate Honors Thesis Chaired

Katherine Belendiuk, B.A., 2004

Title: Assessing the concordance of measures used to diagnose adult ADHD

Former Placement: National Institute of Drug Abuse, Postbaccalaureate

Intramural Research Training Award (IRTA)

Graduate School: Clinical Psychology Ph.D. Program, University of Pittsburgh

(Supervisor: Dr. Brooke Molina)

Current Placement: T32 Post-Doctoral Fellowship, University of Colorado

Stephanie A. Wagner, B.A., 2004

Title: Differences in perceptions and parenting among mothers and fathers of children with ADHD

Graduate School: Clinical Psychology Ph.D. Program, West Virginia University
(Supervisor: Dr. Cheryl McNeil)
Current Placement: Post-Doctoral Fellowship, NYU Child Study Center

Shelley B. Avny, B.S., 2005
Title: Inattention and hyperactivity/impulsivity as predictors of observed parenting
Placement: Clinical Psychology Ph.D. Program, Virginia Commonwealth University (Supervisor: Dr. Bryce McLeod)

Jessica Pian, B.S., 2007
Title: Observed parenting among depressed mothers of children with ADHD
Former Placement: Research Assistant, Center for Anxiety & Related Disorders, Boston University (Supervisors: Drs. David Barlow, Donna Pincus, & Jill Ehrenreich)
Placement: London School of Hygiene and Tropical Medicine, MPH

Marissa Miller, B.S., 2012 (co-chaired with Ken Rubin, Human Development)
Title: Observed changes in social behavior during a social skills intervention for behaviorally inhibited preschoolers
Placement: Clinical Psychology Ph.D. Program, University of South Carolina (Supervisor: Dr. Bradley Smith)

Kelsey Woods, B.S., 2013
Title: A preliminary evaluation of Parent-Child Interaction Therapy-Emotion Development for preschoolers with ADHD
Placement: Research Assistant, University of Maryland ADHD Program

Amanda Steinberg, B.S., 2021
Title: Protective Behavioral Strategies and Alcohol Problems in Heavy Drinking College Students: The role of ADHD symptoms and Sex Differences
Placement: Research Assistant, Children's National Medical Center

Undergraduate Honors Thesis Committee Member

iii. Doctoral

Dissertations Chaired

Heather A. Jones, Ph.D., 2006

Title: Teacher in-service training for ADHD: Influence on knowledge about ADHD, use of classroom behavior management strategies, and teacher stress
Internship: Cincinnati Children's Hospital

Post-Doctoral Fellowship: University of Pennsylvania, Children's Hospital of Philadelphia, Center for Management of ADHD

Awards: NIH Loan Repayment Program (2007-2009, 2012-2014), CHADD Young Research Scientist Award (2008)

Current Placement: Assistant Professor of Psychology (tenure-track) & Co-Director, Center for ADHD Research, Education, and Service, Virginia Commonwealth University

Veronica L. Raggi, Ph.D., 2008

Title: Efficacy of a homework intervention for middle school students with ADHD
Internship: Children's National Medical Center, Washington DC

Post-Doctoral Fellowship: New York University Child Study Center

Awards: American Psychological Association (APA), Society of Clinical Child & Adolescent Psychology Dissertation Award; Milton Dean Havron Award; Samuel Turner Scientist-Practitioner Award

Current Placement: Clinical Psychologist, Alvord, Baker & Associates, Silver Spring, MD

Tana Clarke, Ph.D., 2009

Title: Executive functions and overt/covert patterns of antisocial behavior in children with ADHD

Awards: Samuel Turner Scientist-Practitioner Award

Internship: Johns Hopkins University, Kennedy Krieger Institute

Current Placement: Clinical Psychologist, Spectrum Behavioral Health, Arnold, MD

Yamalis Diaz, Ph.D., 2009

Title: Acceptability of behavioral parent training strategies among Latino parents

Internship & Post-Doctoral Fellowship: University of Pennsylvania, Children's Hospital of Philadelphia, Center for Management of ADHD
Current Placement: Clinical Assistant Professor, New York University Child Study Center

Karen Seymour, Ph.D., 2010

Title: Associations between distress tolerance, emotion regulation, and depressive symptoms in youth with ADHD

Internship: Children's National Medical Center, Washington DC

Post-Doctoral Fellowship: Warren Alpert Medical School of Medicine Brown University, PediMIND Mood Imaging NeuroDevelopment

Awards: NIH Loan Repayment Program (2012-2014); NARSAD Young Investigator Award, NIMH K Award

Current Placement: Assistant Professor of Psychiatry (tenure-track), Division of Child and Adolescent Psychiatry, Johns Hopkins School of Medicine

Mary Rooney, Ph.D., 2010

Title: Does poor response inhibition predict alcohol-related impairment in college students with attention deficit hyperactivity disorder?

Awards: Samuel Turner Scientist-Practitioner Award

Internship: University of California, San Francisco (UCSF)

Post-Doctoral Fellowship: UCSF Hyperactivity & Learning Problems Program

Current Placement: National Institute of Mental Health Interventions Research Branch

Abigail Mintz, Ph.D., 2012

Title: Paternal ADHD, parenting, and child conduct problems: Potential mechanisms

Internship: Children's National Medical Center, Washington DC

Post-Doctoral Fellowship: Children's National Medical Center, The Obesity Institute

Prior Placement: Assistant Professor, Children's National Medical Center & George Washington University School of Medicine

Current Placement: Ross Center, Washington DC.

Sharon Thomas, M.A. (Ph.D. expected 2016)

Title: Cortisol Reactivity and Observed Parenting Among Mothers of Children with and without ADHD

Internship: University of Maryland School of Medicine

Post-Doctoral Fellowship: Kennedy Krieger Institute, Johns Hopkins

Current Placement: Alvord Baker and Associates, Rockville, MD

Heather Mazursky-Horowitz, M.A.

Title: Executive Functioning and Parenting in Mothers of Children with and without ADHD

Internship: Westchester Jewish Community Services, New York

Post-Doctoral Fellowship: Montefiore Medical Center, Albert Einstein College of Medicine

Elana Hoffman, M.A.

Title: Depressive Symptoms and Environmental Reward as Predictors of Transdermal Nicotine Patch Adherence
Internship: University of California San Diego Veterans Administration
Post-Doctoral Fellowship: Washington DC Veterans Administration Medical Center

Christine H. Wang, Ph.D.
Title: Maternal and Paternal Anxiety Disorders and Early Intervention for Behaviorally Inhibited Preschool Children
Internship and Post-Doc: Children's National Medical Center

Lauren Oddo, M.A.
Title: A Behavioral Economics Investigation of Alcohol Problems in College Student Drinkers with and without ADHD
Internship: Virginia Commonwealth University
Awards: Bartlett Award

Danielle R. Novick, M.S.
Title: Directional Relations between Parenting and Child Anxiety Across Early Interventions for Behaviorally Inhibited Young Children
Internship: Yale University, Child Study Center

iv. Post-Doctoral Fellows

Laura Knight, Ph.D. (2007-2008)
Current Placement: Assistant Professor of Psychology, Indiana University
of Pennsylvania

Sean E. Lynch, Ph.D., M.A., M.S.W. (2008-2009)
Current Placement: Research Assistant Professor, Department of
Psychiatry, University of Florida, College of Medicine

Tahli Frenkel, Ph.D., (Ph.D. 2012-2015)
Current Placement: Clinical Psychologist and Director of Research Unit, Ziyama
Arkin Infancy Institute, Baruch Ivcher School of Psychology, Israel

Kelly A. O'Brien, Ph.D. (2008-present)
Current Placement: Clinical Psychologist, University of Maryland ADHD
Program and Alvord, Baker & Associates

Erin Lewis-Morrarty, Ph.D. (2010-present)
Current Placement: Post-Doctoral Fellow, University of Maryland ADHD
Program (Psychology) and Maryland Child Development Laboratory
(Human Development); Alvord, Baker & Associates
Award: NIH Loan Repayment Program 2011-2013

Christina Danko, Ph.D. (2015-present)
Current Placement: Assistant Clinical Professor, University of Maryland
Award: NIH Loan Repayment Program 2016-

Michael Meinzer, Ph.D. (2016-present)
Awards: CHADD Young Research Scientist Award 2016; NIH Loan
Repayment Program 2016; NIH CHIPS Fellowship
Current Placement: Assistant Professor, University of Illinois at Chicago

Natalie Miller, Ph.D. (2017-2020)
Awards: Banting Postdoctoral Fellowship, Government of Canada
APSARD Outstanding Poster Award 2018

Nicole E. Lorenzo, Ph.D. (2019-2021)
Awards: NIMH CHIPS Fellowship, NIMH Diversity Supplement
Current Placement: Assistant Professor, American University

Joyce H.L. Lui, Ph.D. (2020-2022)
Current Placement: Assistant Professor, Concordia University, Montreal,
QC.

Karen T.G. Schwartz, Ph.D. (2020-2022)
Awards: NIMH CHIPS Fellowship

Current Placement: Research Psychologist, Children's Hospital of Philadelphia

Cameron S. Massey (2021-2022)

Current Placement: Clinical Instructor, University of South Carolina

Erin Raashel Jones, Ph.D. (2021-Present)

v. Visiting International Students

Thorhildur Halldorsdottir, M.A. (2008-2009)

Current Placement: Doctoral Student in Clinical Psychology, Virginia Tech (Advisor: Thomas Ollendick, Ph.D.)

Current Placement: [Max Planck Institute of Psychiatry](#), Munich, Germany

Tamkeen Malik, Ph.D. (2009)

Current Placement: Assistant Professor, Department of Behavioral Sciences, National University of Science and Technology (NUST), Islamabad, Pakistan.

Award: Fulbright Scholar, Harvard University, Massachusetts General Hospital

Natalie Miller, Ph.D. (2017-2020)

Awards: Banting Postdoctoral Fellowship, Government of Canada

e. Advising (Other than Research Direction)

i. Undergraduate

2002 – Present Mentor, Psi Chi (8 students)

2006 – 2007 Guest Speaker, "Get to Know Your Faculty" Speaker Series

4. Service and Outreach

a. Editorships, Editorial Boards and Reviewing Activities

i. Editorships

2011 – 2016 Associate Editor, *Journal of Clinical Child & Adolescent Psychology*

2016 – 2022 Associate Editor, *Journal of Consulting & Clinical Psychology*

ii. Editorial Boards

2004 – 2007 *The Behavior Therapist*
2007 – Present *Behavior Therapy*

2007 – Present	<i>The ADHD Report</i>
2011– 2016	<i>Journal of Consulting & Clinical Psychology</i>
2019-Present	<i>Journal of Attention Disorders</i>

iii. Reviewing Activities for Journals and Books

Ad-Hoc Reviewer:

2002 – Present	<i>Journal of Abnormal Child Psychology</i>
2004 – Present	<i>Exceptional Children</i>
2004 – Present	<i>Psychiatry Research</i>
2005 – Present	<i>Clinical Psychology Review</i>
2005 – Present	<i>Journal of Abnormal Psychology</i>
2005 – Present	<i>Journal of Child Psychology & Psychiatry</i>
2006 – Present	<i>Developmental Psychology</i>
2006 – Present	<i>Prevention Science</i>
2007 – Present	<i>Archives of General Psychiatry</i>
