

## Curriculum Vitae

Notarization. I have read the following and certify that this *curriculum vitae* is a current and accurate statement of my professional record.

Signature  Date 8-19-2024

---

*In general, do not list a work or activity more than once.*

**I. Personal Information**

**I.A. UID, Last Name, First Name, Middle Name, Contact Information**

106189609; Dougherty, Lea Rose  
3123D Biology Psychology Building, College Park, MD 20742 USA  
+1 (301)-405-5464 | [ldougher@umd.edu](mailto:ldougher@umd.edu)  
<https://psyc.umd.edu/facultyprofile/dougherty/lea>

**I.B. Academic Appointments at UMD**

- 8/2022-Present** Professor  
Department of Psychology  
University of Maryland College Park
  
- 6/2018-Present** Director of Clinical Training  
Clinical Psychology Doctoral Program  
University of Maryland College Park
  
- 8/2015-8/2022** Associate Professor  
Department of Psychology  
University of Maryland College Park
  
- 8/2008-Present** Faculty Member  
Neuroscience and Cognitive Science (NACS) program  
University of Maryland College Park
  
- 8/2008-8/2015** Assistant Professor  
Department of Psychology  
University of Maryland College Park

**I.C. Administrative Appointments at UMD**

**I.D. Other Employment**

**I.E. Educational Background**

**2008** Ph.D., Clinical Psychology (Concentrations in Quantitative

Methods and Close Relationships)  
Stony Brook University

**2007-2008** Clinical Psychology Internship  
Yale University School of Medicine

**2003** M.A., Clinical Psychology  
Stony Brook University

**2001** B.A., Psychology, *summa cum laude, degree with distinction*  
University of Delaware  
Major: Psychology; Minor: French Studies

I.F. Continuing Education

**6/2015** Parent-Child Interaction Therapy 40-Hour Training  
Child Mind Institute, New York, NY

I.G. Professional Certifications, Licenses, and Memberships

Licensed Psychologist, State of Maryland, #04771

**II. Research, Scholarly, Creative and/or Professional Activities**

***h-index = 42 | citations = 6441 | total publications = 139***

II.A. Books (Include full citation information and ISBN)

II.A.1. Books Authored (*specify original or revised edition*)

II.A.2. Books Edited

II.A.3. Books Translated (*as translator*)

II.A.4. Major Reference Works

II.A.5. Exhibition Catalogs

II.A.6. Other

II.B. Chapters

II.B.1. Books

Multi-Modal Early Intervention Program for Behaviorally Inhibited Preschoolers. In D. Sloan (Chair), *New advances in Group CBT: Expanding the reach and context of interventions*. Symposium presented at the annual conference of the Association for Behavioral and Cognitive Therapies. San Diego, CA.

[16] **Dougherty, L. R.**, +Merwin, S. M., & +Barrios, C. S. November 2017. Parent-child adrenocortical attunement: Associations with parental depression, parenting and offspring psychopathology. In J. Wiggins (Chair), *Mechanisms of Risk for Intergenerational Transmission of Anxiety and Depression: Triangulating Research across Multimodal Methodologies*. Symposium presented at the 51st annual meeting of the Association for Behavioral and Cognitive Therapy, San Diego, CA.

[15] Barstead, M. G., Danko, C. M., Wagner, N. J., Novick, D. R., Teetsel, R. N., Smith, K. A., Wang, C. W., **Dougherty, L. R.**, Rubin, K. H., & Chronis-Tuscano, A. June 2017. Response to early intervention for behavioral inhibition is moderated by parental anxiety. In C. Danko and N. Wagner (Co-chairs), *Innovative interventions for young behaviorally inhibited children*. Symposium presented at the meeting of the International Society for

Research on Child and Adolescent Psychopathology (ISRCAP), Amsterdam, Netherlands.

[14] Bufferd, S. J., **Dougherty, L. R.**, & Olino, T. M. April 2017. Frequency and severity of daily anxiety behaviors and associated impairment in preschool-aged children. In A. Klein (Chair) and J. Manly (Discussant), *Internalizing Symptoms in Young Children: Severity of Symptoms and Impairment, Risk Factors and Trajectories into School Age*. Symposium presented at the biannual meeting of the Society for Research in Child Development (SRCD), Austin, TX.

[13] Carlson, G. A., +Barrios, C., **Dougherty, L. R.**, & Klein, D. N. October 2016. Stability and short term outcome of disruptive mood dysregulation disorder (DMDD) in young children. In G. A. Carlson (Chair), *Disruptive mood dysregulation disorder and other psychopathology: Present and future*. Symposium conducted at the 63rd annual meeting of the American Academy of Child and Adolescent Psychiatry (AACAP), New York, NY.

[12] O'Brien, K., Chronis Tusciano, A., Rubin, K., Coplan, R., **Dougherty, L. R.**, & Thomas, S. September 2015. Preliminary Evaluation of the Turtle Program: Adapted PCIT for Families of Children with High Behavioral Inhibition. In E. Kimonis (Chair), *Adapting PCIT for Special Populations*. Symposium conducted at the meeting of the 2015 PCIT International Convention, Pittsburgh, PA.

[11] +Blankenship, S., Redcay, E., Riggins, T., & **Dougherty, L. R.** March 2015. Development of hippocampal resting state networks during childhood. In L. R. Dougherty and T. Riggins (Chairs), *Development of brain networks: Insights from resting-state functional connectivity studies of the amygdala and hippocampus*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.

[10] **Dougherty, L. R.**, +Smith, V. C., Bufferd, S. J., Carlson, G. A., & Klein, D. N. October 2014. DSM-5 disruptive mood dysregulation disorder: Correlates, predictors and outcomes in young children. In L. R. Dougherty (Chair), *Irritability and DSM-5 disruptive mood dysregulation disorder in youth*. Symposium conducted at the 61st annual meeting of the American Academy of Child and Adolescent Psychiatry (AACAP), San Diego, CA.

[9] **Dougherty, L. R.**, +Tolep, M. T., & +Smith, V. C. June 2013. *Early exposure to parental depression and parenting: Associations with young offspring's stress physiology and oppositional behavior*. Symposium conducted at the meeting of the International Society of Child and Adolescent Psychiatry (ISRCAP), Leuven, Belgium.

[8] Dyson, M. W., Olino, T. M., **Dougherty, L. R.**, Durbin, C. E., & Klein, D. N. April 2013. *Observed social and non-social behavioral inhibition in preschool-age children: Differential associations with parent-reported temperament and anxiety*. Symposium conducted at the Society for Research in Child Development (SRCD), Seattle, WA.

[7] Wang, J. M., Rubin, K. H., Chronis-Tuscano, A., Coplan, R., O'Brien, K. A., & **Dougherty, L. R.** April 2013. The social behaviors of inhibited children in familiar and unfamiliar social settings over time. In H. Gazelle & K. Buss (Chair), *Behavioral inhibition across context: Social versus non-social and familiar versus unfamiliar contexts*. Symposium conducted at the biennial Society for Research in Child Development (SRCD), Seattle, WA.

[6] Pachankis, J. E., Westmaas, J. L., & **Dougherty, L. R.** November 2011. *The influence of sexual orientation and masculinity on young men's tobacco smoking*. Symposium conducted at the Association of Behavioral and Cognitive Therapies, Toronto, Canada.

[5] Kryski, K. R., **Dougherty, L. R.**, Sheikh, H. I., Dyson, M. W., Olino, T. M., Laptook, R. S., ... & Klein, D. N. October 2011. DRD4 genotype, child effortful control, and parenting style: Associations with HPA axis reactivity in early childhood. In E. Fox (Chair), *Attention control and anxiety: Integrating electrophysiological, cognitive and genetic approaches*. Symposium conducted at the Society for Psychophysiological Research, Boston, MA.

[4] Pachankis, J. E. & **Dougherty, L. R.** August 2010. *The costs of self-concealment in the lives of gay men: Evidence from a 10-day experience sampling study*. Symposium conducted at the American Psychological Association, San Diego, CA.

[3] Klein, D. N., Bufferd, S. **Dougherty, L. R.**, & Carlson, G. A. May 2010. *Predictors of depression in early childhood*. Symposium conducted at the Association for Psychological Science, Boston, MA.

[2] **Dougherty, L. R.**, Klein, D. N., Rose, S., & Laptook, R. May 2010. *Stress reactivity in the offspring of depressed parents: Moderation by early parenting*. Symposium conducted at the Association for Psychological Science, Boston, MA.

[1] Klein, D. N., Bufferd, S. **Dougherty, L. R.**, & Carlson, G. A. June 2009 *Parent-reported depression in early childhood: Prevalence and stability*. Symposium conducted at the International Society for Research on Child and Adolescent Psychopathology, Seattle, WA.

Current Federal Research Grants

- 2023-2025            Development and Initial Trial of Brief Interventions to Help Parents of Stigmatized Youth Reduce Distress and Strengthen Attachment (MPI: Pachankis, Dougherty)  
Source: R21 HD110617  
Total costs: \$463,390  
Eunice Kennedy Shriver National Institute of Child Health and Human Development  
Role: Principal Investigator
  
- 2021-2026            16/24 Healthy Brain and Child Development National Consortium (MPI: Fox, Riggins, Jones-Harden)  
Source: U01DA055316  
Total costs: \$6,429,557  
National Institute of Drug Abuse  
Role: Co-Investigator
  
- 2021-2026            Neural Mechanisms of Risk and Resilience for Irritability Across the Transition to Adolescence (MPI: Dougherty, Wiggins)  
Source: R01MH122487  
Total costs: \$1,902,715 (Direct costs: \$1,250,000)  
National Institute of Mental Health  
Role: Principal Investigator
  
- 2020-2025            Neural Mechanisms of Risk and Resilience in Early Childhood Irritability (MPI: Dougherty, Wiggins)  
Source: R01MH121385  
Total costs: \$3,784,585 (Direct costs: \$2,499,995)  
National Institute of Mental Health

Role: Principal Investigator

Past Federal Research Grants

- 2017-2018 Pathways of Risk and Resilience: Neural Predictors of Irritability in At-Risk Offspring of Mothers with Depression (PI: Wiggins)  
Source: UL1TR001442  
Total cost: \$30,000  
University of California, San Diego Clinical and Translational Research Institute (CTRI); University of California, San Diego, National Institute of Health (NIH) Grant  
Role: Co-Investigator
- 2016-2020 Developmental Changes in Reward Responsivity: Associations With Depression Risk Markers (PI: Olinio)  
Source: R01 MH107495-01A1-S1  
Total costs: \$346,112  
National Institute of Mental Health, Administrative supplement for Research on Sexual and Gender Minority Populations  
Role: Co-Investigator
- 2016-2017 Temperamental Emotionality in Preschoolers and Depression Risk (PI: Klein)  
Source: R01 MH069942-12S1  
Total cost: \$100,000  
National Institute of Mental Health, Administrative supplement for Research on Sexual and Gender Minority Populations  
Role: Co-Investigator
- 2014-2019 Multi-Component Early Intervention for Socially Inhibited Preschool Children (MPI: Chronis-Tuscano, Rubin)  
Source: R01 MH103253-01  
Total cost: \$3,663,616  
National Institute of Mental Health  
Role: Co-Investigator
- 2013-2014 Maternal Depression and Child Language Development (Ratner, Dougherty)  
Total cost: \$20,000  
National Science Foundation (NSF) in partnership with the University of Maryland ADVANCE Program for Inclusive Excellence  
Role: Principal Investigator
- 2013-2014 The Effects of Early Life Experience on Brain Networks Supporting Memory During Early to Middle Childhood (Dougherty, Riggins)  
Total cost: \$45,000

- University of Maryland College of Behavioral and Social Sciences  
 Dean's MRI Research Initiative RFP Program  
 Role: Principal Investigator
- 2012-2013      The Effects of Early Life Experience on Brain Networks Supporting  
 Memory During Early to Middle Childhood (Dougherty, Riggins)  
 Total cost: \$20,000  
 National Science Foundation (NSF) in partnership with the University  
 of Maryland ADVANCE Program for Inclusive Excellence  
 Role: Principal Investigator
- 2011-2012      The Neural Basis of Cognitive Emotion Regulation in Children  
 (Dougherty, Pessoa)  
 Total cost: \$10,000  
 University of Maryland-Maryland Neuroimaging Center Seed Grant  
 Program  
 Role: Principal Investigator
- 2011-2012      Cortisol Awakening Response and Risk for Depression (Dougherty)  
 Total cost: \$40,000  
 University of Maryland College of Behavioral and Social Sciences  
 Dean's Research Initiative  
 Role: Principal Investigator
- 2010-2012      Multi-Method Early Intervention Program for Inhibited and Anxious  
 Preschoolers (PI: Chronis-Tuscano, Rubin)  
 Source: R34 MH083832-01A1  
 Total cost: \$641,580  
 National Institute of Mental Health  
 Role: Co-Investigator
- 2006-2007      Low Positive Emotionality and Hypothalamic-Pituitary Adrenal Axis  
 Reactivity in Preschoolers (Dougherty; Sponsor: Klein)  
 Total cost: \$29, 523  
 National Institute of Mental Health, Ruth L. Kirschstein National  
 Research Service Award (NRSA) FMH075484A  
 Role: Principal Investigator

Trainee Grants

- 2023-2024      TL1 Pre-Doctoral Clinical Research Traineeship Program (Leslie S. Jordan)  
 Institute for Clinical & Translational Research (ICTR)  
 University of Maryland Baltimore
- 2022              Graduate Student Summer Research Fellowship (Leslie S. Jordan)  
 University of Maryland College Park

- 2021 Computation and Mathematics for Biological Networks (COMBINE) Fellowship  
National Science Foundation Research Traineeship Program (Leslie Jordan)
- 2018-2019 A Mechanistic Model of Youth Irritability: Reward Learning and  
Inhibitory Control (PI: Emma Chad-Friedman)  
Total cost: \$132,000  
National Science Foundation Graduate Research Fellowship Program  
Role: Mentor
- 2017 Psychological and Neurobiological Outcomes of Parent-Child  
Adrenocortical Concordance (PI: Stephanie Merwin)  
Total cost: \$10,800  
University of Maryland Ann G. Wylie Dissertation Fellowship  
Role: Mentor
- 2016-2017 Effects of Early Parenting and Child Cortisol Reactivity on Later  
Hippocampal Structure and Function: A Prospective, Longitudinal  
Study (PI: Sarah Blankenship)  
Total cost: \$25,000  
University of Maryland Graduate Dean's Dissertation Fellowship  
Role: Mentor
- 2015-2019 Childhood Irritability: The Interactive Effects of Threat Bias and  
Effortful Control (PI: Chelsey Barrios)  
Total cost: \$132,000  
National Science Foundation Graduate Research Fellowship Program  
Role: Mentor
- 2014-2016 The Neurobiological Role of Stress Response in the Development of  
Executive Function and Academic Achievement in Low SES Children  
(PI: Brandee Feola)  
Total cost: \$100,000  
National Institute of Drug Abuse T32 Institutional Training Grant,  
Basic Science and Addictions Treatment T32 Research Training  
Program  
Role: Mentor
- 2014-2015 Cortisol Awakening Response in Preschoolers and Depression Risk:  
Relations with Parental History of Depression and Child Temperament  
(PI: Victoria C. Smith)  
Total cost: \$10,800  
University of Maryland Ann G. Wylie Dissertation Fellowship, Award  
was graciously declined due to conflict with Graduate Dean's  
Dissertation Fellowship  
Role: Mentor
- 2014-2015 Cortisol Awakening Response in Preschoolers and Depression Risk:  
Relations with Parental History of Depression and Child Temperament

- (PI: Victoria C. Smith)  
 Total cost: \$25,000  
 University of Maryland Graduate Dean's Dissertation Fellowship  
 Role: Mentor
- 2013-2016      Cortisol Reactivity and Observed Parenting Among Mothers of Children with ADHD (PI: Sharon Thomas; Sponsor: Chronis-Tuscano)  
 Total cost: \$128,451  
 National Institute on Child Health and Development (NICHD)  
 Individual Minority National Research Service Award  
 Role: Mentor
- 2010-2011      Negative Cognitive Styles and Cortisol Reactivity in Preschoolers: Investigating Mechanisms of Risk for Depression (PI: Meghan Quinn)  
 Total cost: \$5,000  
 Howard Hughes Medical Institute Undergraduate Science Education Program Grant to the University of Maryland  
 Role: Mentor
- 2010              The Assessment of Negative Cognitive Styles in Preschoolers (PI: Meghan Quinn)  
 Total cost: \$3,000  
 University of Maryland - Maryland Summer Research Scholar Program for Undergraduate Students  
 Role: Mentor

Fall 2009	<i>Clinical Supervision/Laboratory: Child/Adolescent and Adult</i>	PSYC 629	4-5 graduate students
Fall 2009	<i>Independent Laboratory Research</i>	PSYC 479	8-16 undergraduates
Spring 2009	<i>Clinical Supervision/Laboratory: Child/Adolescent and Adult</i>	PSYC 629	4-5 graduate students
Fall 2008	<i>Child Psychopathology</i>	PSYC 623	9-11 graduate students

**III.B. Teaching Innovations**

- III.B.1. Major Programs Established
- III.B.2. Education Abroad Established
- III.B.3. Textbooks
- III.B.4. Software, Applications, Online Education, etc.
- III.B.5. Instructional Workshops and Seminars Established

**2019-Present**

UMD Clinical Psychology Doctoral Program, External Practicum Workshop

	<b>2019-Present</b>	UMD Clinical Psychology Doctoral Program, Internship Preparation Workshop Series
III.B.6.	Course or Curriculum Development	
	<b>2020-2021</b>	Online course development for PSYC 330: Abnormal Child & Adolescent Psychology
	<b>2019-Present</b>	Curriculum development in diversity science and multicultural training and coursework for the Doctoral Program in Clinical Psychology
	<b>2014</b>	Course Development, Graduate Seminar in Clinical Research Methods
	<b>2010</b>	Course Development, Undergraduate Seminar in Abnormal Child & Adolescent Psychology
	<b>2008</b>	Course Development, Graduate Seminar in Developmental Psychopathology
III.B.7.	Teaching Modules	
III.B.8.	Other	
III.C.	<u>Advising</u> : Research or Clinical	
III.C.1.	Undergraduate	
	<b>2019-2020</b>	<b>Mentor</b> , (Student: Amber Williams) Senior Research Honors Project, University of Maryland, winner of the Psychology Undergraduate Research Fair People's Choice Award for her poster entitled "The Effects of Workplace Discrimination on Depression and Parenting for Black Women"
	<b>2019-2020</b>	<b>Mentor</b> , (Student: Alex Ostrander) Senior Research Honors Project, University of Maryland
	<b>2016-2018</b>	<b>Mentor</b> , (Student: Mary-Charlotte Wasserbach) Senior Research Honors Project, University of Maryland
	<b>2014-2016</b>	<b>Mentor</b> , (Student: Samantha Jay) Senior Research Honors Project, University of Maryland
	<b>2010-2012</b>	<b>Mentor</b> , (Student: Divya Kulshreshtha) Senior Research Project, University of Maryland

**2010-2011**

**Mentor**, (Student: Meghan Quinn) Howard Hughes Medical Institute Undergraduate Research Fellowship  
Maryland Summer Research Scholar, University of Maryland

Undergraduate Honors Thesis Committee Chair or Member

- Amber Williams, *Chair*: Lea Dougherty, 2020
- Alex Ostrander, *Chair*: Lea Dougherty, 2020
- Mary-Charlotte Wasserbach, *Chair*: Lea Dougherty, 2018
- Bridget Sundel, *Chair*: Jack Blanchard, 2017
- Samantha Jay, *Chair*: Lea Dougherty, 2016
- Stephanie Goncalves, *Chair*: Carl Lejuez, 2014
- Patty Kuo, *Chair*: Charles Gelso, 2014
- Kelsey Woods, *Chair*: Andrea Chronis-Tuscano, 2013
- Jordana Zwerling, *Chair*: Tracy Riggins, 2013
- Elizabeth Sauber, *Chair*: Karen O'Brien, 2012
- Ria Travers, *Chair*: Stacy Daughters, 2009

III.C.2. Master's

Master's Thesis Chaired

- Leah Sorcher (2021). "Preschool irritability predicts adolescent psychopathology and functional impairment: A 12-year prospective study."
- Samantha Hubachek (2020). "Hippocampal subregion volume in high-risk offspring predicts increases in depressive symptoms across the transition to adolescence."
- Emma Chad-Friedman (2018). "Early Life Stress Predicts Decreased Total Brain Volume, Cortical Thickness, and Cognitive Functioning in School-Age Children."
- Katherine Leppert (2015). "Stability and change of cortisol reactivity to a laboratory stressor from early to middle childhood."
- Chelsey Barrios (2015). "The Interaction Between Parenting and Children's Cortisol Reactivity at Age Three Predicts Increases in Children's Internalizing and Externalizing Symptoms at Age Six."
- Sarah Blankenship (2015). "Development of Hippocampal Functional Networks During Childhood." Co-Chaired with Tracy Riggins, Ph.D.
- Stephanie M. Merwin (2014). "Parenting and Parent Stress Physiology: The Moderating Role of Child Effortful Control."
- Victoria C. Smith (2012). "Parental Compliance with Ambulatory Salivary Cortisol Sampling Protocols: Impact on Children's Cortisol Data."

- Marissa R. Tolep (2011). “Parental Depression and Cortisol Reactivity in Preschoolers.”

Master’s Thesis Committee Member

- Brooke Kohn, *Chair*: Tracy Riggins, 2023
- Shannon Grogans, *Chair*: Alexander Shackman, 2021
- Kristen Regenauer, *Chair*: Jessica Magidson, 2021
- Mary Kleinman, *Chair*: Jessica Magidson, 2020
- Cristina Savage, *Chair*: Jack Blanchard, 2019
- Danielle Novick, *Chair*: Andrea Chronis-Tuscano, 2019
- Kelsey Woods, *Chair*: Andrea Chronis-Tuscano, 2017
- Laura Anderson, *Chair*: Elizabeth Redcay, 2015
- Christine Wang, *Chair*: Andrea Chronis-Tuscano, 2015
- Melanie Lipton, *Chair*: Andres De Los Reyes, 2015
- Lauren Catalano, *Chair*: Jack Blanchard, 2014
- Sharon Thomas, *Chair*: Andrea Chronis-Tuscano, 2013
- Heather Mazursky, *Chair*: Andrea Chronis-Tuscano, 2012
- Anna Miller, *Chair*: Nan Bernstein Ratner, 2012
- Anahi Collado-Rodriguez, *Chair*: Carl Lejeuz, 2012
- Anne Banducci, *Chair*: Carl Lejeuz, 2012
- Megan Graham, *Chair*: Tracy Riggins, 2011
- Sarah Thomas, *Chair*: Andres De Los Reyes, 2011
- Stephanie Lin Park, *Chair*: Jack Blanchard, 2010
- Alexis Matusiewicz, *Chair*: Carl Lejeuz, 2010

III.C.3. Doctoral

***Doctoral Students Mentored at Maryland (Primary Mentor)***

**2021-Present**

Leslie Jordan

*Awards*: TL1 Pre-Doctoral Clinical Research Traineeship Program, Institute for Clinical & Translational Research (ICTR), University of Maryland Baltimore; Computation and Mathematics for Biological Networks (COMBINE) Fellowship, National Science Foundation Research Traineeship Program School of Public Health Gold “Creativity in Crisis” Award, University of Maryland College Park

**2020-Present**

Leah Sorcher, M.S.

*Awards*: 2023 Excellence in Research Award, University of Maryland Clinical Psychology Doctoral Program  
2023 International Conference Student Support Award, Graduate School, University of Maryland  
2021 Honorable Mention, National Science Foundation Graduate Research Fellowship Program

- 2018-2024** Samantha Hubachek, M.S.
- 2017-2023** Emma Chad-Friedman, M. S.  
*Awards:* National Science Foundation Fellowship recipient  
 Society for a Science of Clinical Psychology (SSCP) Student  
 Poster Competition Award Recipient at the 2018 Association for  
 Psychological Science (APS) Conference in San Francisco, CA
- 2015-Present** Kelsey Woods, M. S. (Co-Advisor with Dr. Andrea Chronis-  
 Tuscano)  
*Awards:* National Science Foundation Fellowship recipient
- 2014-2020** Katherine Leppert, Ph.D.  
*Awards:* Society for Clinical Child and Adolescent Psychology  
 (SCCAP, APA Div. 53) Student Achievement Award in Research
- 2014-2020** Chelsey Barrios, Ph.D.  
*Awards:* National Science Foundation Fellowship Recipient,  
 2015-2018  
 Society for Clinical Child and Adolescent Psychology (SCCAP,  
 APA Div. 53) Student Achievement Award in Clinical Practice
- 2012-2018** Stephanie M. Merwin, Ph.D.  
*Awards:* Ann G. Wylie Dissertation Fellowship
- 2012-2017** Sarah Blankenship, Ph.D. (Co-Advisor with Dr. Tracy Riggins)  
*Awards:* 2015 Phi Delta Gamma Award Recipient (\$1,000)  
 University of Maryland Graduate Dean's Dissertation Fellowship  
 (\$25,000)  
 2019 Hennessy-Smotherman Wiley Best Student Paper Award  
 for the journal *Developmental Psychobiology*
- 2010-2016** Victoria C. Smith, Ph.D.  
*Awards:* Society for a Science of Clinical Psychology (SSCP)  
 Student Poster Competition at the 2012 Association for  
 Psychological Science (APS) Conference in Chicago, IL  
 Elected as Student Representative of the Society for a Science of  
 Clinical Psychology (SSCP)  
 University of Maryland Graduate Dean's Dissertation Fellowship  
 Ann G. Wylie Dissertation Fellowship  
 Honorable Mention BSOS All Star Fellowship  
 Exemplary Student Presentation Award in Pediatric Psychology  
 selected by the Society for Pediatric Psychology (Division 54)  
 American Psychological Association (APA)
- 2009-2015** Marissa R. Tolep, Ph.D.  
*Awards:* Society for a Science of Clinical Psychology (SSCP)  
 Student Poster Competition at the 2012 Association for

Psychological Science (APS) Conference in Chicago, IL  
University of Maryland Distinguished Teaching Assistant Award

Comprehensive Examination Chaired

Sarah Blankenship, Neuroscience and Cognitive Science Program, *Chairs*: Lea R. Dougherty, Ph.D. and Tracy Riggins, Ph.D., 2014

Comprehensive Examination Committee Member

Laura J. Sherman, Developmental Area, *Chair*: Jude Cassidy, Ph.D., 2010

Transition to Independence (TIE) Project Chaired

Leah Sorcher, 2022

Samantha Hubachek, 2020-2021

Emma Chad-Friedman, 2019-2020

Transition to Independence (TIE) Project Committee Member

Lauren Oddo, Clinical Area, TIE Project, *Chair*: Andrea Chronis-Tuscano, 2019

Dissertations Chaired

Leah Sorcher

Leslie Jordan, Proposed April 2024

Title: A Machine Learning Approach to Predicting High-Risk Irritability Trajectories Across the Transition to Adolescence

Samantha Hubachek, Defended 2023

Title: Early Adolescent Romantic Experiences and Psychosocial Functioning in Sexual Minority Youth

Emma Chad-Friedman, Defended 2022

Title: Child depressive symptoms, parental depressive symptoms, and parenting: Reciprocal relations from early childhood through adolescence

Kelsey Woods, Defended December 2020, Co-Chair with Dr. Andrea Chronis-Tuscano

Title: Group interventions for selective mutism in a private practice setting: A preliminary effectiveness-implementation hybrid study.

Chelsey Barrios, Defended March 2019

Title: Early Adolescent Romantic Relationship Experiences: Phenomenology, Concurrent Correlates, and Early Predictors

Katherine Leppert, Defended September 2018

Title: A Daily Diary Analysis of Preschool Depressive Behaviors: Same Day and Prospective Associations across 14 Days

Stephanie Merwin, Defended March 2016

Title: Psychological and Neurobiological Outcomes of Parent-Child Adrenocortical Concordance

Sarah Blankenship, Defended October 2016, Co-Chair with Dr. Tracy Riggins

Title: The Effects of Early Parenting and Child Cortisol Reactivity on Later Hippocampal Structure and Function: A Prospective Longitudinal Study

Victoria C. Smith, Defended April 2015

Title: Cortisol Awakening Response in Preschoolers and Depression Risk: Relations with Parental History of Depression and Child Temperament

Marissa R. Tolep, Defended May 2014

Title: Preschool Psychopathology and Psychosocial Functioning: Physiological and Behavioral Susceptibility to the Early Environment

Clinical Psychology Internship: Mount Washington Pediatric Hospital, 08/2014-08/2015

#### Dissertation Committee Member

- Catherine Kuhns, *Chair*: Natasha J. Cabrera, 2019
- Elizabeth Sauber, *Chair*: Karen O'Brien, 2019
- Claire Kaplan, *Chair*: Alec Solway, proposed 2018
- Christine Wang, *Chair*: Andrea Chronis-Tuscano, 2018
- Ayelet Silberberg, *Chair*: Karen O'Brien, 2018
- Laura Anderson, *Chair*: Elizabeth Redcay, 2018
- Srikanth Padamala, *Chair*: Luiz Pessoa, 2017
- Brandee Feola, *Chair*: Donald J. Bolger, 2017
- Melanie Lipton, *Chair*: Andres De Los Reyes, 2016
- Heather Mazursky, *Chair*: Andrea Chronis-Tuscano, 2016
- Sarah Thomas, *Chair*: Andres De Los Reyes, 2015
- Marisa Franco, *Chair*: Karen O'Brien, 2015
- Sharon Thomas, *Chair*: Andrea Chronis-Tuscano, 2015
- Anne Banducci, *Chair*: Carl Lejuez, 2014
- Tsz-Yeung Harold Chui, *Chair*: Clara Hill, 2014
- Lauren K. White, *Chair*: Nathan Fox, 2013
- Jingqing Liu, *Chair*: Clara Hill, 2013
- Stephanie Park, *Chair*: Jack Blanchard, 2013
- Alexis Matusiewicz, *Chair*: Carl Lejuez, proposed 2012
- Abigail Mintz, *Chair*: Andrea Chronis-Toscano, 2012
- Jessica Magidson, *Chair*: Carl Lejuez, 2012
- Earta Norwood, *Chair*: Barry Smith, proposed 2011
- Christina Sadak, *Chair*: Barry Smith, 2011

#### III.C.4. Post-doctoral

##### **2022-Present**

Alyssa Parker, Ph.D.

Post-Doctoral Scientists on NIMH R01MH121385

Neural Mechanisms of Risk and Resilience in Early Childhood

Irritability (MPI: Dougherty, Wiggins)

**2021-2023**

Yukari Takarae, Ph.D.  
Post-Doctoral Scientists on NIMH R01MH121385  
Neural Mechanisms of Risk and Resilience in Early Childhood  
Irritability (MPI: Dougherty, Wiggins)

**2018-2019**

Maria M. Galano, Ph.D.  
University of Maryland President's Post-Doctoral Fellowship  
Program  
Current Position: Assistant Professor, University of  
Massachusetts, Amherst

III.C.5. Other Directed Research (*e.g. K-12 Interactions*)

III.D. Mentorship

III.D.1. Junior Faculty

**2021-Present**

Arianna Gard, Ph.D., Assistant Professor, Department of  
Psychology, University of Maryland College Park

III.D.2. Other

***Clinical Supervision***

**2016-Present**

***Clinical Supervisor, Pre-doctoral clinical psychology trainees***  
*Psychology, California State University San Marcos (PI:*  
*Bufferd)*  
*Preschool Internalizing Psychopathology: Behavioral*  
*Phenotypes and Stress Physiology*  
*NIH R15MH106885 (PI: Bufferd)*

**2014-2019**

***Clinical Supervisor, Pre-doctoral clinical psychology trainees***  
*Psychology, University of Maryland (MPI: Chronis-*  
*Tuscano, Rubin)*  
*Multi-Component Early Intervention for Socially Inhibited*  
*Preschool Children*  
*NIMH R01 MH103253-01 (MPI: Chronis-Tuscano,*  
*Rubin)*

**2010-2012**

***Clinical Supervisor, Pre-doctoral clinical psychology trainees***  
*Psychology, University of Maryland (MPI: Chronis-*  
*Tuscano, Rubin)*  
*Multi-Method Early Intervention Program for Inhibited*

*and Anxious Preschoolers*  
*NIMH R34 MH083832-01A1 (MPI: Chronis-Tuscano, Rubin)*

Post-Baccalaureate Mentoring

**2009-Present**      **Mentor,** Primary Research Advisor  
Victoria Smith  
Caitlin Condit  
Heather Clark  
Katherine Leppert  
Kathleen Feeney  
Kapil Chauhan  
Victoria Saba  
KellyAnn Rooney  
Mackenzie Robeson  
Matthew Caton

III.E.      Advising: Other than Directed Research

- III.E.1. Undergraduate
- III.E.2. Master's
- III.E.3. Doctoral
- III.E.4. Post-doctoral
- III.E.5. Other Advising Activities  
*(Include advising student groups, special assignments, recruiting, etc.)*

III.F.      Professional and Extension Education

- III.F.1. Professional Programs Established
- III.F.2. Major Extension Programs *(Include situation, objectives, outputs, outcomes / impact)*
- III.F.3. Workshops
- III.F.4. Guest Lectures *(Presented in traditional classes or for someone else's program)*
- III.F.5. Extension Signature Programs
- III.F.6. Extension Programs of Distinction
- III.F.7. Other

III.G.      Contribution to Learning Outcomes Assessment

**2018-Present**      APA Program Evaluation for Clinical Science Doctoral Program,  
University of Maryland

**2016-Present**      Peer Teaching Evaluation Committee Member, University of  
Maryland

III.H.      Other Teaching Activities

III.I. Teaching Awards

**IV. Service and Outreach**

IV.A. Editorships, Editorial Boards, and Reviewing Activities

IV.A.1. Editorships

Editor of *Clinical Science, Newsletter for the Society for a Science of Clinical Psychology (SSCP)*, three issues per year, 2011-2013

IV.A.2. Editorial Boards

*Journal of Child Psychology and Psychiatry*, 2016-present  
*Journal of Clinical Child and Adolescent Psychology*, 2014-present  
*Assessment*, 2014-present

IV.A.3. Reviewing Activities for Journals and Presses

Ad-Hoc Reviewer:

- *Assessment*
- *Biological Psychiatry*
- *Biological Psychology*
- *Child & Adolescent Mental Health*
- *Child Development*
- *Child Development Perspectives*
- *Clinical Psychology Review*
- *Cognition and Emotion*
- *Cognitive Therapy and Research*
- *Depression and Anxiety*
- *Development & Psychopathology*
- *Developmental Psychobiology*
- *Developmental Science*
- *Emotion*
- *International Journal of Behavioral Development*
- *Journal of Abnormal Child Psychology*
- *Journal of Abnormal Psychology*
- *Journal of Affective Disorders*
- *Journal of Anxiety Disorders*
- *Journal of Applied Developmental Psychology*
- *Journal of Clinical Child and Adolescent Psychology*
- *Journal of Child Psychology and Psychiatry*
- *Journal of Personality Assessment*
- *Journal of Psychopathology and Behavioral Assessment*
- *Journal of the American Academy of Child and Adolescent Psychiatry*
- *Pediatrics*
- *Personality Disorders: Theory, Research, and Treatment*

- *Progress in Neuro-Psychopharmacology & Biological Psychiatry*
- *Psychiatry Research*
- *Psychological Medicine*
- *Psychoneuroendocrinology*

IV.A.4. Reviewing Activities for Agencies and Foundations

- 10/2021**                      **Grant Reviewer**, National Institute of Health, Center for Scientific Review, K99/R000 Reviews
- 3/2020**                      **Grant Reviewer**, National Institute of Health, Center for Scientific Review, Member Conflict Applications in Child Psychopathology and Developmental Disabilities (CPDD)
- 6/2019**                      **Grant Reviewer**, National Institute of Health, Center for Scientific Review, F01A-F-Fellowships: Brain Disorders and Related Neurosciences, Chicago, IL
- 2019**                         **Grant Reviewer**, Wellcome Trust Foundation, Sir Henry Wellcome Postdoctoral Fellowship Wellcome Trust, London, England
- 2013-Present**             **Grant Reviewer and Chair**, *Society for a Science of Clinical Psychology (SSCP) Vardha Shoham Clinical Science Training Initiative*
- 2013**                         **Reviewer**, 2013 Society for Research in Child Development (SRCD) Biennial Meeting, Symposium Submission Reviewer

IV.A.5. Reviewing Activities for Conferences

- 2010-2013**                      **Poster Session Judge**, *Society for a Science of Clinical Psychology (SSCP) Poster Session at the Association for Psychological Science (APS) Conference*

IV.A.6. Other

IV.B.            Committees, Professional & Campus Service

IV.B.1.    Campus Service – Department

- 2023-2024**                      **Committee Member**, Department Diversity Committee, University of Maryland
- 2021-2022**                      **Committee Chair**, Psychology Department Tenure and Promotion Committee for Dr. Jessica Magidson, University of

Maryland

- 2019-2021**                    **Committee Member**, Departmental Colloquium Planning Committee, University of Maryland
- 2019-2023**                    **Committee Member**, Graduate Studies Committee, University of Maryland
- 2018-Present**                **Director of Clinical Training**, Clinical Psychology Doctoral Program, University of Maryland
- 2018**                            **Committee Member**, Psychology Department Tenure and Promotion Committee for Dr. Alexander Shackman, University of Maryland
- 2017-Present**                **Advisor to the Student Diversity Committee**, Psychology Department, University of Maryland
- 2017-2020**                    **Committee Member**, Psychology Department Arbitrary and Capricious Grading Appeal Committee, University of Maryland
- 2017-2019**                    **Institutional Review Board Liaison's Assistant**, Psychology Department, University of Maryland
- 2017**                            **Committee Member**, Psychology Department Merit Review Committee, University of Maryland
- 2016-2022**                    **Committee Member**, Peer Teaching Evaluation Committee, University of Maryland
- 2016-2017**                    **Committee Member**, Clinical Addiction Faculty Search Committee, University of Maryland
- 2015-2018**                    **Committee Chair**, Faculty and Staff Development, University of Maryland
- 2014-2015**                    **Committee Member**, Psychology Department Merit Review Committee, University of Maryland
- 2012-2013**                    **Committee Member**, Counseling Psychology Faculty Search Committee, University of Maryland
- 2008-Present**                **Committee Member**, Clinical Training/Psychology Clinic Committee, University of Maryland

IV.B.2.    Campus Service – College

- 2020-Present**                    **BSOS Buddies Program** for First Year Graduate Students

**2016** **Committee Member**, Neuroscience and Cognitive Science (NACS) Doctoral Program Student Transition Committee, University of Maryland

**2012-2016** **Committee Member**, Neuroscience and Cognitive Science (NACS) Graduate Admissions Committee, University of Maryland

IV.B.3. Campus Service – University

**2018** **Committee Member**, Wylie/Thornton Fellowship Selection Committee, University of Maryland

**2009-2013** **Mentor**, CIVICUS Capstone Internship Program Mentor, University of Maryland

IV.B.4. Campus Service – Special Administrative Assignment

IV.B.5. Campus Service – Other

IV.B.6. Inter-institutional and Regional (*e.g. inter-library agencies, regional consortia*)

IV.B.7. Offices and Committee Memberships

IV.B.8. Leadership Roles in Meetings and Conferences

IV.B.9. Other Non-University Committees, Memberships, Panels, etc.

*Offices and committee memberships held in professional organizations*

**2019-Present** **Chair**, Society for a Science of Clinical Psychology (SSCP) Varda Shoham Clinical Scientist Training Initiative Grant Review Committee

**2019-Present** **Member**, National Register of Health Service Psychologists (NRHSP)

**2018-Present** **Member**, Council of University Directors of Clinical Training (CUDCP)

**2011** **Invited Program Chair**, *Society for a Science of Clinical Psychology (SSCP) Symposia at the American Psychological Association (APA) Conference (Washington, DC)*

**2008-Present** **Member**, *Society for a Science of Clinical Psychology (SSCP)*

**2008** **Chair/Editor**, **Society for a Science of Clinical Psychology (SSCP) Clinical Internship Directory**, <http://sites.google.com/site/sscpwebsite/announcements/neweditonofthesscpinternshipdirectoryishere>
