

Thomas S. Wallsten

Department of Psychology
University of Maryland
College Park, MD 20742-0025
Phone: 1-301-405-3562
Fax: 1-301-314-9566
Email: tswallst@umd.edu
<http://psychology.umd.edu/facultyprofile/Wallsten/Thomas>

Educational History:

1964 B.S. University of Wisconsin, Madison, Wisconsin (Psychology)
1966 M.A. University of Pennsylvania, Philadelphia, Pennsylvania (Experimental Psychology)
1969 Ph.D. University of Pennsylvania, Philadelphia, Pennsylvania (Experimental Psychology)

Academic Honors, Scholarships, and Fellowships:

University of Wisconsin: Sophomore, Major and Thesis Honors; Full Tuition Scholarship
University of Pennsylvania: National Institutes of Health Predoctoral Fellow, 1967-68
University of Michigan: National Institute of Mental Health Postdoctoral Fellow, 1969-70
University of North Carolina: Kenan Sabbatical Leave, 1977
James McKeen Cattell Sabbatical Fellowship, 1985-86
Fellow of the American Psychological Association, elected 1986
Charter Fellow of the American Psychological Society, elected 1988
Alexander von Humboldt Foundation in Germany: Senior Scientist Research Award, 1996
Fellow of the Society of Experimental Psychologists, elected 2000
University of Maryland: College of Behavioral and Social Sciences Dean's Medal winner, 2012.

Professional Experience:

1969 Instructor, College of General Studies, University of Pennsylvania
1969-70 Visiting Scientist, University of Michigan
1970-75 Assistant Professor, University of North Carolina at Chapel Hill
1975-81 Associate Professor, University of North Carolina at Chapel Hill
1981-2000 Professor of Psychology, University of North Carolina at Chapel Hill
1989-1999 Director, UNC-CH Cognitive Psychology Program,
1997-2000 Director, UNC-CH Cognitive Science Program
1985 Visiting Scholar, University of Chicago
1986 Visiting Professor, University of Haifa, Israel
1996 Visiting Scholar, Duke University Fuqua School of Business
1997 Visiting Professor, Universität Oldenburg, Germany

2000-2006 Research Professor of Psychology, University of North Carolina at Chapel Hill

2000-2013 Professor of Psychology, University of Maryland at College Park

2004-2007 Head, Cognitive Psychology Program, University of Maryland at College Park

2002-2007 Area Research Director and Senior Research Scientist, UMCP Center for Advanced Study of Language

2007-2012 Chair, Department of Psychology

2013-present Emeritus Professor of Psychology, University of Maryland at College Park

2014 (October) Visiting scientist, Center for Adaptive Rationality, Max Planck Institute for Human Development, Berlin, Germany

Professional and Honorary Organizations:

- Association for Psychological Science
 - Fellow, elected 1988
- American Psychological Association
 - Charter Fellow, elected 1986
- Society of Experimental Psychologists
 - Fellow, elected 2000
- Psychonomic Society
- Society for Mathematical Psychology (charter member)
 - Executive Committee 1984-1987, 1990-1994, 1996-Present
 - New Investigator Award Committee 1988, 1998
 - Representative to the Federation of Behavioral, Psychological, and Cognitive Sciences, 1999-2002
- Federation of Behavioral, Psychological, and Cognitive Sciences (Now known as FABBS – Federation of Associations in Behavioral and Brain Sciences)
 - Vice-President 2003-2004
 - President-Elect 2005
 - President 2006-2007
 - Past-President 2008-2010
- Foundation for the Advancement of the Behavioral and Brain Sciences (Now known as FABBS Foundation)
 - Founding President 2004
 - Member, Board of Directors 2005 – 2008
 - FABBS Foundation Honoree in its “In Honor Of...” program, 2012.
- Judgment and Decision Making Society
 - Program Committee Chairman, 1987-1988
 - Executive Committee Member 1989-1991

- President-Elect 1998-1999, President 1999-2000, Past-President 2000-2001

Grant Support:

- Co-Principal Investigator (with Amnon Rapoport) on NSF Grant SOC 74-15027, "Bargaining and Coalition Formation: Theory and Data," 9/1/74-2/28/77.
- Co-Principal Investigator (with Peter Ornstein) on a University Research Council Grant, "An Initial Study into the Psychology of Reading Braille," 11/14/73-11/14/76.
- Principal Investigator on a Spencer Foundation Grant, "Reading Rates and Comprehension Scores in Visual and Tactual Modalities," 8/1/76-7/31/78.
- Principal Investigator on NSF Grant BSN 76-20759, "Cognitive Processes in Judgment and Diagnosis," 1/1/77-6/30/80.
- Principal Investigator on ONR Contract N-00014-78-C-0170, "Cognitive Processes in Choice and Decision Behavior," 1/1/78-8/31/79.
- Principal Investigator on University Research Council Grant, "Sequential Effects on Inference," 4/16/80-4/15/82.
- Principal Investigator on University Research Council Grant, "Information Processing in Probabilistic Inference and Classification," 11/13/80-11/12/83.
- Principal Investigator on U.S. Army Research Institute Contract MDA903-83-K-0347, "Meanings of Non-numerical Probability Terms," 8/16/83-8/15/86.
- Co-Investigator (with David Budescu) on Israeli Binational Science Foundation Grant 8203394, "Non-numerical Judgments of Subjective Probabilities," 9/1/84-8/31/87.
- Principal Investigator on NSF Grant BNS-8608692, "Judgment and choice on the basis of linguistic or vague information," 8/16/86-8/15/89.
- Principal Investigator on NSF Grant BNS-8908554, "Combining and using vague and precise information for decision making," 8/1/89-1/31/93.
- Principal Investigator on University Research Council Grant, "Children's memory: Encoding and retrieval of personal experiences," 7/1/92-6/30/93.
- Co-Investigator (with David Budescu) on University of Illinois Research Board Grant, "Probabilistic judgments with multidimensional correlated evidence," 1/1/93-5/31/94.
- Principal Investigator on NSF Grant SBR-9222159, "Models of uncertainty due to lack of knowledge," 4/1/93-9/30/96.
- Principal Investigator on NSF Grant SBR-9601281, "Collaborative research: understanding, improving and aggregating subjective judgments," 8/15/96-2/14/00.
- Principal Investigator on NSF Grant SBR-9975350, "Collaborative research: Basic and applied research leading to a linguistic probability translator." 9/15/99 – 8/31/03.
- Co-Director (with Carl Lejuez) on a grant from the UMCP Advisory Committee on the Scholarship of Teaching and Learning, "Collaborative Mentoring in the Integration of Basic Cognitive Science and the Assessment and Treatment of Addictive Behaviors." 4/13/02-6/30-03.
- Principal Investigator on NSF Grant SES0326715, "A Workshop on Information Aggregation in Decision Making." 4/15/03-3/31/04.

- Principal Investigator on AFOSR Grant F496200310141, “A Workshop on Information Aggregation in Decision Making.” 3/01/03-12/31/03.
- Area Director and Investigator on DOD Contract funding the Center for Advanced Study of Language. 03/2004-2007.
- Principal Investigator on CIA Contract 2006*1161415*000, “Expressing Probability in Intelligence Analysis.” 8/21/06-8/20/08.
- Principal Investigator on NSF Grant OIA-0962941, “A Center for Cognitive, Social, Computational and Mathematical Neuroscience.” 9/1/2010-9/30/2013.
- Principal Investigator on Subcontract S-001061.00000.UMD from Applied Research Associates, prime contractor on IARPA Contract D11PC20059, “Aggregative Contingent Estimation System (ACES).” 5/23/2011-2/15/2013.
- Principal Investigator on Subcontract 8592 from University of California-Berkeley, prime contractor on IARPA Contract ACE Contract D11PC20061, 3 June 2014 – 2 August 2015.

Consultant Activities:

- Environmental Protection Agency:
 - Office of Air Quality Planning and Standards, 1979-1982;
 - Office of Planning, Policy, and Evaluation, 1987-1989;
 - Science Advisory Board's Environmental Health Committee, 1991-1995;
 - Science Advisory Board's Advisory Council on Clean Air Compliance Analysis Special Council Panel for the Review of the Third 812 Analysis, 2003-2004.
 - Science Advisory Board, 2008-2011.
- Argonne National Laboratory: Division of Environmental and Engineering Sciences, 1983-1992, 1993-1997.
- Research Triangle Institute: Center for Economic Research, 1983-1985, 1992-1995, 1996.
- Systems Applications Incorporated, 1985-1988.
- Energy and Resource Consultants, 1986-1987.
- Duke Cancer Prevention, Detection and Control Unit, 1998-2000.
- National Intelligence Council Associate, 2006-2012
- Columbia University Center for Research on Environmental Decisions (CRED)
 - Advisory Board Member 2010-present
- University of California-Berkeley 2013-2014
 - Consultant to the IARPA-funded Good Judgment Project

Editorial Activities:

- *Journal of Experimental Psychology*
 - Consulting Editor, 1973-1974.
- *Journal of Experimental Psychology: Learning, Memory & Cognition*
 - Consulting Editor, 1980- 1984.
 - Associate Editor, 2000-2004.

- *Journal of Mathematical Psychology*
 - Editor, 1990-1994
 - Member of Editorial Board, 1984-1989, 1995-present.
- *Memory and Cognition*
 - Member of Editorial Board, 1985-1989
- *Organizational Behavior and Human Decision Processes*
 - Member of Editorial Board, 1974-1987.
- *Psychometrika*
 - Associate Editor, 1984-1988
- *Journal of Behavioral Decision Making*
 - Guest Co-Editor of a special issue on Stochastic and Cognitive Models of Judgement, (Vol 10, #3, 1997).
- *Psychological Review*
 - Consulting Editor, 2011-2014
- *Decision*
 - Editorial Board member, 2013-present

Other Professional Activities:

- National Science Foundation
 - Review Panel member for the Methodology, Measurement & Statistics Program of the Division of Social, Behavioral, and Economics Research. 1995-1997.
 - Committee of Visitors for the Social, Behavioral, and Economic Sciences Directorate, March, 2000.
 - Committee of Visitors for the Behavioral and Cognitive Sciences Directorate, March, 2003.
 - Science and Technology Center Integrative Partnerships Program pre-proposal review panel, February 2015.
- Technion, Israel Institute of Technology
 - Member of International Review Committee of The Faculty of Industrial Engineering and Management, March 2015.
- Co-Chair of the Organizing and Program Committee of the 29th Annual meeting of the Society for Mathematical Psychology, 1996.
- Co-Chair of the Organizing and Program Committee of the 41st Annual meeting of the Society for Mathematical Psychology, 2008.
- Department of Education Office of Educational Research and Improvement
 - Review Panel member for the Cognition and Student Learning grant program, 2002.
- Have also done ad hoc reviews for National Science Foundation, National Institute of Mental Health, *Science*, *Psychological Review*, *Journal of Applied Psychology*, *American Journal of*

Psychology, and numerous other journals, as well as organized symposia at various professional meetings.

University Service Activities:

- University of Maryland
 - Neuroscience and Cognitive Science Executive Committee, 2000-2002.
 - College of Behavioral and Social Science
 - Strategic Planning Update Committee, 2000-2001.
 - Appointment, Promotion, and Tenure Committee, 2006-2007.
 - Search Committee for BSOS Assistant Dean for Finance, 2008
 - Chair of Search Committee for Geography Department chair, 2009.
 - Chair of Search Committee for Criminality and Criminal Justice, 2011.
 - Member of Search Committee for Associate Provost for Faculty Affairs, 2009-10
 - University Research Council, Fall 2004 - Fall, 2006.
 - Chair of the Search Committee for Executive Director of the Center for Advanced Study of Language (CASL) – Fall, 2012,
- University of North Carolina at Chapel Hill
 - Steering Committee for University Self Study, Member, 1972-1973.
 - College of Arts and Sciences, Undergraduate Advisor, 1972 - 1975, 1982-1984.
 - Ad-hoc Committee on the Evaluation of Teaching and Courses, Member, 1975.
 - Provost's Committee to Study the Computing Resources and Services Devoted to Instruction and Research at Chapel Hill, Member, 1983.
 - Steering Committee to explore a University Curriculum in Information Studies, Member, 1986-1987.
 - Academic Affairs Institutional Review Board, Chair, 1987-1989; Member 1989-1992.
 - Cognitive Sciences Advisory Committee, Member, 1991.
 - University Reaccreditation Self Study Committee, Members of Task Force on Educational Support Services, 1993-1994.
 - Faculty Hearings Committee 1994-1995.
 - Hillel Faculty Advisory Board 1995-1996.
 - Ad hoc committee for the development of a Cognitive Science Program. Chair 1995-1997.

Department Service Activities:

- University of Maryland
 - Policy Review Committee 2001-2004.
 - Graduate Committee 2001-2004.
 - P & T Committee 2001-2002.
 - Computational/Mathematical Psychology Search Committee (Chair) 2002.

- Head, Cognitive Psychology Program 2005-2007.
- Chair Evaluation Committee 2005.
- Chair Search Committee 2006.
- Hiring Committee 2006-2007.
- Chair, Department of Psychology, 2007-2012.
- University of North Carolina at Chapel Hill
 - Committee on Undergraduate Studies, Member, 1972-1984.
 - Colloquium Committee, Member, 1973-1978; Chair, 1978-1981.
 - Committee to Respond to the Department's External Evaluation, Member, 1975.
 - Department Ethics Committee, Member, 1975-1979; Chair, 1979-1985.
 - Computer Usage Committee, Chair, 1980-1985.
 - Personnel Committee, 1981-present.
 - Departmental Self Study Committee; Chair, 1987.
 - Director, Cognitive Psychology Training Program, 1989-present.
 - Space and Resources Committee, 1991-present.
 - Planning Committee, 1992-1993.
 - Advisory Committee, 1994-present.
 - Computer Services Committee, Chair 1993-1996
 - Departmental Faculty Workload-Study Committee, Chair, 1998.

Civic Activities:

- Board of Directors of Chapel Hill Day Care Center, Member, 1975-1976.
- Community Resource Program of Chapel Hill-Carrboro PTA Council, Chairman, 1975-1978.
- Budget Education Committee for Chapel Hill-Carrboro Board of Education, Member, 1979-1980.
- Cub Scout Pack 867, Frank Porter Graham School, Cubmaster, 1980-1982.
- Executive Board, Judea Reform Congregation, Member, 1984-1985.
- Executive Board, Durham-Chapel Hill Jewish Federation, Member 1987-1996; Vice President, 1988-1992, Co-Chair of UJA/Federation Campaign 1997-1999.
- Chapel Hill-Carrboro School System Committee on Review Procedures for Internal Research, Member, 1989-1990

Publications and Presentations:

Book

Wallsten, T. S. (1980). (Ed.), *Cognitive processes in choice and decision behavior*. Hillsdale, NJ: Lawrence Erlbaum.

Selected Invited Presentations:

- It is normal to be ordinal. Midwestern Psychological Association Meeting, Symposium on Approaches to Inference: Techniques for Understanding Decision Making, Chicago, Illinois, 1974.
- Processing information for decisions. Indiana Cognitive/Mathematical Psychology Conference, Bloomington, Indiana, 1975.
- The measurement and interpretation of beliefs: A review. European Research Conference on Subjective Probability, Utility, and Decision Making, Darmstadt, West Germany, 1975.
- Cognitive limitations in medical diagnosis. Sigma Xi Lecture at University of Illinois Medical Center, Chicago, Illinois, 1978.
- Using algebraic models to study human decision behavior. US/USSR Symposium on Mathematical Models in Psychology, Tbilisi, USSR, 1979.
- On the apparent similarity between inference and categorization. Fifteenth Annual Mathematical Psychology Meeting, Princeton, New Jersey, 1982.
- The theoretical status of judgmental heuristics. Symposium on individual Decision Making Under Uncertainty, Center of Interdisciplinary Research, University of Bielefeld, Bielefeld, Federal Republic of Germany, 1982.
- The Communication of Probability Forecasts. Workshop in Probabilistic Weather Forecasts. Government Camp, Oregon, 1983.
- Understanding and Using Linguistic Probabilities. ORSA/TIMS Meeting. Miami, FL, 1986.
- Estimating Probabilities of Population Response Rates from Data and Judgments. Symposium on Risk Assessment Techniques in Behavioral Toxicology at the Annual Meeting of the American Psychological Association, New York, NY, 1987.
- The Costs and Benefits of Vague Information. Insights in Decision Making: Theory and Applications, A Tribute to the late Hillel J. Einhorn. The University of Chicago, Graduate School of Business, Chicago, IL, 1988.

Problems with lotterus numericus as a model decision situation. Nags Head International Conference on Judgment and Decision Making, Nags Head, NC, June, 1990.

Paradoxical data and a model for their resolution in statement verification tasks. Purdue University, Indiana, November 1990. The Technion, Haifa, Israel, December 1990.

Quantifying scientists' judgments in environmental risk assessment. Bielefeld University, Bielfield, Germany, December, 1990.

Modes of consent. Human Protection Workshop, Chapel Hill, March, 1991.

A perspective on judgment research. Fourth Annual American Psychological Society Convention, San Diego, CA, June 1992.

Random error in probability judgments: Implications for combining expert assessments. Harvard University Center for Risk Assessment, October 1993.

Judgment and response processes in statement verification. Columbia University Department of Psychology, October 1993.

Models of judgment: A little bit of error goes a long way, but where does it come from? University of Chicago Center for Decision Research, November 1993.

Combining Linguistic Probabilities. Symposium on Qualitative Aspects of Decision Making. Universität Regensburg, Regensburg, Germany, July 1994.

Bridging some gaps in research on linguistic probabilities. STAR Workshop on Risk Communication. Imperial Cancer Research Fund. London, England, June, 1995.

New results on the stochastic judgment model of statement verification. Seminar on Risk, Uncertainty and Choice. City University, London, England, June, 1995.

New results on statement verification: Verifying the stochastic judgment model assumptions while failing to replicate a result. Public colloquium. Universität Oldenburg, Oldenburg, Germany, December 1995.

A Cognitive foundation for combining subjective probability estimates: Implications for environmental risk assessment. Public colloquium. Universität Oldenburg, Oldenburg, Germany, December 1995.

Accuracy of Probability Judgments: The Real Scoop and What To Do about It. Public colloquium. Ohio State University, February, 1996.

Accuracy of Probability Judgements: The Real Scoop and What To Do about It. Parts 1 and 2., Public Colloquium. Duke Fuqua School of Business, September 18 and 25, 1996.

Combining Probability Judgements. Invited colloquium. University of Illinois Department of Psychology, October 1996.

Effects of Trial-by-Trial Variance on Judgement: Model and Data. Invited colloquium, Institut für Kognitionsforschung, Universität Oldenburg, Oldenburg, Germany, January 1997.

Evaluating and Combining subjective probabilities. Invited colloquium.

Uppsala Universitet, Department of Psychology, Uppsala, Sweden, April 1997.

Max Planck Institute for Psychological Research, Munich Germany, April 1997.

Universität Braunschweig Department of Psychology, Braunschweig, Germany, June 1997.

University of Groningen, Department of Social and Organizational Psychology. Groningen, The Netherlands, June 1997.

Averaging Probability Estimates: Tests of the applicability of two theorems to real data. Invited presentation at INFORMS-98, Tel Aviv University, Tel Aviv, Israel. June, 1998.

Separating Judgement from Response Processes. Keynote addresses at a Workshop on Judgment and Decision Making. Department of Psychology, Tel Aviv University, Tel Aviv, Israel, July 2, 1998.

Averaging Probability Judgements: Tests of two theorems against real data. Invited presentation. University of North Carolina School of Business. Chapel Hill, North Carolina. March, 1999. Harvard Center for Risk Analysis, Cambridge, Massachusetts. April, 1999.

Insights from a Stochastic Model of Judgement and Response. Invited colloquium, Ohio University, Athens, Ohio. April, 1999.

A critical look at research on probability judgment: Are we asking the right questions? Invited Presidential Address. Annual Meeting of the Society for Judgment and Decision Making. New Orleans, LA. November, 2000.

Judgment, Choice, and Communication under Aleatory and Epistemic Uncertainty. Invited Colloquium, Neuroscience and Cognitive Science Program, University of Maryland, September, 2002.

Ask not whether a Model is Right or Wrong, Ask whether It Is Useful. Invited presentation in a symposium entitled "What does it mean to model cognition?" 45th Annual meeting of the Psychonomic Society. Minneapolis MN. Nov 18-21, 2004.

Probabilistic Language – Challenges and Opportunities. Invited workshop, Analytic Tradecraft and Training Conference. Aspen Wye River Conference Center. Queenstown, MD. September 20, 2005.

Challenges in Communicating Probabilistic Information to Policy Makers. Invited presentation. Environmental Protection Agency, "Workshop on Probabilistic Integrated Assessment Modeling," Washington, DC. May, 2006. Department of Energy, Office of Planning, Budget, and Analysis, Washington, DC. October, 2006.

Issues in Forming, Revising, and Communicating Uncertain Judgments. Invited presentation at a conference entitled "Improving Intelligence: What Works? How Can We Tell? Lessons from Outside the Intelligence Community." Sponsored by The Office of the Director of National Intelligence, Office of Analytic Integrity & Standards. Heritage Conference Center, Chantilly, VA. January, 2007.

Encoding the meanings of probability terms. Invited presentation within the symposium: Synthesizing Studies for Evidence-Based Decision-Making: Part 2, Expert Elicitation. Annual Meeting of the Society for Risk Analysis, Charleston, SC. 5 December 2011.

Using formal models to understand the natural language of uncertainty. Keynote address. 7th Annual Behavioral Operations Conference, Washington DC, 11 June 2012.
